Accused Tonya Craft, Mark Dagostino, 2015-09-01 This is the true story of a woman who prevailed against the most heinous accusations imaginable Tonya Craft a Georgia kindergarten teacher and loving mother of two never expected a knock on her door to change her life forever But in May 2008 false accusations of child molestation turned her world upside down The trial that followed dragged her reputation through the mud and lent nationwide notoriety to her name Tonya's life spiraled into a witch trial nightmare in which she was deemed guilty before her innocence could be determined by a jury Her children were taken away without even a goodbye and her own daughter was forced to take the stand against her in a courtroom The situation seemed hopeless and Tonya was shell shocked and heartbroken But that didn't keep her from finding the strength to fight Over the course of two terrifying years Tonya rallied to take charge of her own defense flying across the country and knocking on doors on a desperate quest for answers and defying her own lawyers on more than one occasion Tonya's goal was not only to avoid conviction it was to clear her name and most of all regain custody of her children **Accused** is about more than Tonya's shocking trial and fight for justice It is the story of a mother's extraordinary love the faith that sees her through it all and the forgiveness that sets her free Demonic Possession and Exorcism in Early Modern England Philip C. Almond, 2004-07-01 This book is exclusively devoted to demonic possession and exorcism in early modern England It offers modernized versions of the most significant early modern texts on nine cases of demonic possession from the period 1570 to 1650 the key period in English history for demonic possession The nine stories were all written by eyewitnesses or were derived from eyewitness reports They involve matters of life and death sin and sanctity guilt and innocence of crimes which could not be committed and punishments which could not be deserved The nine critical introductions which accompany the stories address the different strategic intentions of those who wrote them The modernized texts and critical introductions are placed within the context of a wide ranging general Introduction to demonic possession in England across the period 1550 to 1700 **The Story of the Church of Egypt** Edith Louisa Butcher, 1897

Interdisciplinary Conference on English Studies: Proceedings Mustafa Kurt, 2014-08-26 Proceedings of 3rd Interdisciplinary Conference on English Studies **Political Libels** Ian Loveland, 2000-06-08 The political libel is as old as politics itself The politician seeking redress in the courts for an allegedly libellous publication uses the English law of libel to attempt to remove the stain from his character Wielding the sword of truth he does battle with the media often with huge attendant publicity and at great risk to his reputation should he fail in his quest At the same time he stands to pocket a substantial sum in damages if he can show the libel to have been committed In this the first modern study of the phenomenon of political libels the author delves behind the headlines and looks at the political and legal problems which surround this little understood but controversial area of English law In this highly readable and engaging work the author surveys the ancient and modern history of the political libel laws and argues that the English law of libel has in the main been too jealous of defending the reputations of politicians and insufficiently alert to the legitimate interest of the public A strong case is made for reforming the law substantially a case which rests both on the experience of other countries notably the USA and also on a re examination of a handful of English cases dating from the mid to late nineteenth century whose significance has been downplayed by lawyers in subsequent years *The Homiletic Review* , 1900 *The Life and Times of the Rev. John Wesley, M.A., Founder of the Methodists* Luke Tyerman, 1870 **Life of Mary Queen of Scots** Agnes Strickland, 1873 **History of the Philosophy of History** Robert Flint, 1894
