## Story Of Navaho Weaving:

Swept Under the Rug Kathy M'Closkey, 2002 Debunks the romanticist stereotyping of Navajo weavers and Reservation traders and situates weavers within the economic history of the southwest      Navaho Weaving Charles Avery Amsden, 2013-01-17 First in depth study of the technical aspects of Navaho weaving plus history of the loom and its prototypes in the prehistoric Southwest analysis and description of weaves dyes and more Over 230 illustrations      **Spider Woman** Gladys Amanda Reichard, 1997 This lively account of a pioneering anthropologist's experiences with a Navajo family grew out of the author's desire to learn to weave as a way of participating in Navajo culture rather than observing it from the outside In 1930 when Gladys Reichard came to stay with the family of Red Point a well known Navajo singer it was unusual for an anthropologist to live with a family and become intimately connected with women's activities First published in 1934 for a popular audience Spider Woman is valued today not just for its information on Navajo culture but as an early example of the kind of personal honest ethnography that presents actual experiences and conversations rather than generalizing the beliefs and behaviors of a whole culture Readers interested in Navajo weaving will find it especially useful but Spider Woman's picture of daily life goes far beyond rugs to describe trips to the trading post tribal council meetings curing ceremonies and the deaths of family members      **A New Deal for Navajo Weaving** Jennifer McLerran, 2022-05-10 Introduction The problem 1 Reformers and revivalists 2 Indian traders and government agents early twentieth century improvement projects 3 Federal programs to improve Navajo weaving 4 The Southwestern Range and Sheep Breeding Laboratory Wingate Vocational High School and the Navajo Arts and Craft Guild Conclusion      *How to Weave a Navajo Rug and Other Lessons from Spider Woman* Barbara Teller Ornelas, Lynda Teller Pete, 2020-10-01 Inspiring instruction Ornelas and Pete's passion for their craft and their heritage results in a lovely and unique crafting resource Publishers Weekly Navajo blankets rugs and tapestries are the best known most admired and most collected textiles in North America There are scores of books about Navajo weaving but no other book like this one For the first time master Navajo weavers themselves share the deep inside story of how these textiles are created and how their creation resonates in Navajo culture Want to weave a high quality Navajo style rug This book has detailed how to instructions meticulously illustrated by a Navajo artist from warping the loom to important finishing touches Want to understand the deeper meaning You'll learn why the fixed parts of the loom are male and the working parts are female You'll learn how weaving relates to the earth the sky and the sacred directions You'll learn how the Navajo people were given their weaving tradition and it wasn't borrowed from the Pueblos and how important a weaver's attitude and spirit are to creating successful rugs You'll learn what it means to live in hzh the Beauty Way Family stories told by Lynda Teller Pete and Barbara Teller Ornelas fifth generation Navajo weavers who have been weaving since they were young girls from seven generations of weavers lend charm and special insights Characteristic Native American humor is not in short supply Their contribution to cultural understanding and the preservation of their craft is priceless

*Patterns of Exchange* Teresa Wilkins, 2008 The Navajo rugs and textiles that people admire and buy today are the result of many historical influences particularly the interaction between Navajo weavers and the traders who guided their production and controlled their sale John Lorenzo Hubbell and other late nineteenth century traders were convinced they knew which patterns and colors would appeal to Anglo American buyers and so they heavily encouraged those designs In *Patterns of Exchange* Teresa J Wilkins traces how the relationships between generations of Navajo weavers and traders affected Navajo weaving The Navajos valued their relationships with Hubbell and others who operated trading posts on their reservation As a result they did not always see themselves as exploited victims of a capitalist system Rather because of Navajo cultural traditions of gift giving and helping others the artists slowly adapted some of the patterns and colors the traders requested into their own designs By the 1890s Hubbell and others commissioned paintings depicting particular weaving styles and encouraged Navajo weavers to copy them reinforcing public perceptions of traditional Navajo weaving Even the Navajos came to revere certain designs as the weaving of the ancestors Enhanced by numerous illustrations including eight color plates this volume traces the intricate play of cultural and economic pressures and personal relationships between artists and traders that guided Navajo weavers to produce textiles that are today emblems of the Native American Southwest Winner Multi cultural Subject New Mexico Book Awards **Posts and Rugs** Harold L.
