The Battle for Iwo Jima 1945 Derrick Wright,2020-01-23 Iwo Jima was the United States Marine Corps toughest ever battle and a turning point in the Pacific War In February 1945 three Marine Divisions stormed the island s shores in what was supposed to be a ten day battle but they had reckoned without General Tadamichi Kuribayashi the enemy commander Do not plan for my return wrote Kuribayashi in one of his many letters to his wife Yoshii He knew that he and his garrison could not defeat the Marines but he was determined to exact a fearful toll in American casualties In the 36 day battle for Iwo Jima which eclipsed all that had gone before the Marines lost nearly 6 000 men and the Japanese garrison was virtually wiped out

Battle Story: Iwo Jima 1945 Andrew Rawson,2011-11-30 On 19 February 1945 Operation Detachment began with US marine forces storming Iwo Jima aiming to capture the island and its airfields This was the first campaign on Japanese soil and would result in some of the fiercest fighting in the Pacific A brutal example of war at all costs the defending garrison fought to almost the last man it was a fight they couldn t hope to win against the superior US numbers but they exacted horrific casualties on the invading forces before their ultimate defeat In this concise account Andrew Rawson uses timelines diary extracts and detailed profiles to explain the lead up to the campaign the battle itself and its legacy while maps and rarely published photographs place you in the centre of the unfolding action With painful lessons learned this vital battle of the Pacific theatre would inform US strategies and actions through the rest of the war and here Rawson shows exactly how and why

[Letters From Iwo Jima](#) Kumiko Kakehashi,2015-09-10 Letters from Iwo Jima reveals the true story of the Battle of Iwo Jima the subject of two films directed

by Clint Eastwood Flags of Our Fathers tells the story of the US Marines who raised the flag above the island the iconic image of the war with Japan His other film Letters from Iwo Jima tells the story from the Japanese point of view At the heart of the story is the maverick general Tadamichi Kuribayashi devoted family man brilliant leader and the first man on the island to know they were all going to die As Clint Eastwood comments General Kuribayashi was a unique guy He liked America He thought it was a mistake to go to war America was too big an industrial complex Unlike most Japanese officers he had travelled abroad spent time in America and was under no illusions as to the ultimate end He fought and died to delay the Americans for as long as he could He knew that once the island fell it would be used as an airbase by US bombers to strike at Tokyo His unorthodox methods made this the fiercest battle the US Marines have ever faced and he sustained resistance far longer than anyone believed possible Kumiko Kakehashi s heart rending account is based on the letters written home by the doomed soldiers on the island mostly family men conscripted late in the war She reveals a very different Japanese army from the popular image It is an incredibly moving portrayal of men determined to resist to the last breath despite their profound opposition to the regime that led them into war
