Story Of Wellesley:

The Story of Wellesley Florence Converse, 1915 In this happy condition of affairs the alumnae trustees undoubtedly play a mediating part for they understand the college from within as no clergyman financier philanthropist no graduate of a man's college can hope to be he never so enthusiastic and well meaning in the cause of woman's education But so long as the faculty are excluded from direct representation on the board the situation will continue to be anomalous For it is not too sweeping to assert that Wellesley's development and academic standing are due to the cooperative wisdom and devoted scholarship of her faculty The initiative has been theirs They have proved that a college for women can be successfully taught and administered by women To them Wellesley owes her academic status The Story of Wellesley Florence
