## **Straight Talk For Girls:**

Straight Talk for Teenage Girls Annette Fuson, 2008-04-24 Straight Talk for Teenage Girls gives sensible ideas and information on subjects that all girls must face as they mature. The book gives girls a variety of answers to help them face pressures from friends boys and life. Teen girls need help in dealing with emotions, body changes, bad situations, friendships and problems. Straight Talk gives not only simple straight forward answers but also ideas, telephone numbers, web sites and things to say and do in all situations where girls feel threatened. It is a fast paced society today with parents and teens going every direction. Some teens have no one to help them with their questions, therefore Straight Talk For Teenage Girls.

**Straight Talk** Gerry Wright, 2001 Finally A Man Speaks to Men. Never have books promised to pry men away from their six packs and remote controls to take a two part course on the sport of seduction. As an author who has given new meaning to the word touch down, he shows you how to touch her. No subject is off limits or out of bounds. So ladies get ready to play ball. Straight Talk Volume One Playing For Keeps: How To Love A Woman And Make Her Love You Back. Round One The Try Outs. In this first of two sizzling volumes, Wright gives raw tutorials on winning a woman's affections. In locker room voice, former pro basketball player Gerry Wright answers all the questions that aspiring Casanovas are dying but too proud to ask. From what to wear to how to smell to how to equip the bachelor pad. Volume I gets a man to first base without striking out. Loaded with clever hard nosed information, Straight Talk elevates men from sitting on life's bleachers as all of the quality babes walk by to becoming an All Star at love. Unlike books like Men Are From Mars, Women Are From Venus, this two book series deals with the real world and gives the low down of what women really want in guy talk. Crammed with nuggets of practical information spiked with sporting terms, Playing For Keeps is savvy, sexy and funny. Straight Talk Volume Two: Papa's Got A Brand New Bag: A Man's Guide To Lovin His Woman Down Round Two The Knockout. Volume I: Straight Talk Playing For Keeps got a fellow's foot in the door and into her head. Volume II: Papa's Got A Brand New Bag pitches step by step details on how to perform in her bed. Gerry Wright, personal trainer and former pro basketball player, gets straight to the point: most men are lousy lovers. Perceptive, real and wise in Volume II, Wright teaches men the blow by blow moves that leave a woman crying time out. In the same no holds barred locker room style of Volume I, Wright explicitly coaches mankind on the sensual techniques to win over the opposite sex. Based on the shared experiences on different continents as Wright played basketball, he delivers the low down on the sexual left hooks and curve balls that American women are dying for men to throw. More than a primer on body parts and yes oral sex, the book also instructs men to listen to their partners. Perceptive, clever and graphic, Wright's instincts brand him as America's personal trainer at love. Wright's hand size a full 11 1/4 inches spread afforded him the ability to earn Sports Illustrated's notoriety as a slam dunk king. In two erotically raw volumes, he gives tips that will have women in the palm of your hand regardless of how many inches you're wielding. Wright's coaching a new team of men and frankly, fellows she won't be trading you to another team after you read Wright's Straight Talk Letter to Gerry.

Wright Dear Mr Wright I went to a little book store called Consider The Alternatives on Thursday April 19 looking for a book about relationships I told Judy the owner that I have read many books to try to understand my man And I couldn t seem to find one about women for men to read that wasn t just about sex She called me at my home the very next day and left me a message that two books came in about the subject we were discussing and would I mind coming and taking them to read and review I went to the store the very next day and read the cover letter then the contents of the books I immediately took them home to read I am 2 3 through Volume 1 and I can t put it down You must promote this book every where Your book is heroic to all of us who have been criticized for saying the things you had the balls to say and say it straight These two books must be marketed ASAP Get *Straight Talk for Teenage Girls* Annette Fuson,2025-10-02 **Parenting, Uncensored: Straight**
