Rattlesnakes Laurence Monroe Klauber,1972 **Richard Aldington** Vivien Whelpton,2019-07-25 The story of Richard Aldington outstanding Imagist poet and author of the bestselling war novel *Death of a Hero* 1929 takes place against the backdrop of some of the most turbulent and creative years of the twentieth century Vivien Whelpton provides a remarkably detailed and sensitive portrayal of the writer from the age of thirty eight to his death from a heart attack in 1962 The first volume *Richard Aldington Poet Soldier and Lover* described Aldington s life as a stalwart of the pre war London literary scene his experience as an infantryman on the Western Front and his postwar personal and creative crises this second volume seeks to balance the stories of Aldington s subsequent public and private lives through a careful reading of his novels poems and letters with his circle of acquaintances The ways in which Aldington s dysfunctional childhood and survivor s guilt continued to haunt him through the inter war years and beyond are masterfully untangled by an authorwith gifted psychological insight into her subject Volume Two covers Aldington s personal and public lives as he transformed himself from poet to novelist and from novelist to biographer and explores his debacles and triumphs particularly in the wake of his hugely controversial attack on the reputation of T E Lawrence This authoritative biography recounts the life of one of the most underrated writers of the last century Richard Aldington and Lawrence of Arabia Fred D. Crawford,1998 If you plan to portray a national icon in less than heroic terms you had better be prepared for a fight as Richard Aldington learned even before the publication of his 1955 biography *Lawrence of Arabia A Biographical Enquiry* Fred D Crawford provides the first examination of all major parties and points of view embroiled in the controversy generated by Aldington s biography of T E Lawrence In two years of research Aldington made major discoveries including the extent to which Lawrence had cooperated with Lowell Thomas Robert Graves and B H Liddell Hart in the creation of the Lawrence legend For this and other reasons Aldington concluded that Lawrence was a charlatan a poseur and a fraud Upon learning of Aldington s antagonism to Lawrence a year before Aldington s book appeared a powerful group including B H Liddell Hart Robert Graves A W Lawrence and other Lawrence partisans worked behind the scenes to suppress and denigrate Aldington s biography These attempts Crawford notes reveal a great deal about how private interests can determine what the public is allowed to read *The Librarian Subject Guide to Books ...
