**The Time in the End in the Book of Revelation** Thomas C. Nixon,2002-11-15 Exchanging Pleasantries begins in a fictional

version of a town known as Beverly Massachusetts and takes a trip to the streets of New York City where MC takes a chance at re arranging his life style by fibbing to his long time companions about a job offer concerning his life s dream writing He lands in what becomes a new world of all work chasing dreams and exchanging pleasantries with a mixture of new found characters It is a fun feel good taste of the North East with a sprinkle of romance and a dash of racial tension

No Ordinary Angel Susan R. Garrett,2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale

Bible Reference Library Susan R Garrett argues that angel talk has never been merely about angels Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God s presence and intervention in the world the existence and meaning of evil and the fate of humans after death In No Ordinary Angel Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus No Ordinary Angel offers important insights into the development of angelology the origins of Christology and popular Western spirituality ranging from fundamentalist to New Age In doing so it provokes stimulating theological reflection on key existential questions

Do Angels Smooch Professor Edward Kapambwe,2021-06-01 Do Angels Smooch Do angels smooch If not why so much obsession in lyrics movies and

books about angels and kissing Are there any more surprises that Edward Kapambwe unveils in his book Well there is more

For example Kapambwe takes us into an in depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before He brings out novel elements that have never been unveiled previously For example he recounts how angels visit our stores They buy the stuff they need before meeting people Haven t you noticed that no angel has ever appeared nude or with wings in real life They come already dressed just like us and that is why we have been unable to identify them We are surrounded by angels both good and evil Evil angels no longer transform themselves into humans Only good angels still do Since there are no shops in heaven where do they get the stuff they wear Besides that what happens to these apparels after being used The author asserts that angels donate them to Thrift Stores such as Goodwill the Salvation Army and others Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor Have

you wondered why they do that It is a deliberate move they take so that ordinary people could buy things worn by angels That begs another question why do they do that The answer is amazing They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings This book explains that point persuasively In addition the author contends that these angels are highly disciplined entities such that they never steal anything from banks stores or homes of rich people even though they able to do so without being seen Angels are invisible spirits entities However they have the ability to transform themselves into regular human beings The author throws in another insight He argues and states that helping strangers gives a person the best chance to be visited by an angel The author then explains to us the probabilities of being smooched by an angel Do angels smooch That question points us in the direction of social theology than philosophy It is not a new question but the framing might be Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men With his masterful insight and knowledge of theology and philosophy the author gives a different angle of the workings of angels among us It s not a book to miss If there is one book you need to read in your lifetime Do Angels Smooch should be on top of your list

**An Angel for Maxey** Ronald Winters,2009-04-27 Reese Maxey is a modestly successful industrial market researcher and executive interviewer When a

new international religion explodes on the world scene with the goal of unifying all faiths into one body Reese Maxey is recruited to bring his skills to the movement But as he becomes more involved in the rapidly expanding worldwide church he discovers not all is as it seems in the new faith His discoveries bring to light his own inner spiritual struggles and more disturbing he finds there are human forces around him determined to make him and break him Or kill him From the lofty powers who meet annually in Davos Switzerland to the streets and corporate corridors of mid western cities and with the backdrop of todays political and business world comes a thriller of a story about one mans spiritual struggle and the intrigue of spiritual wickedness in high places 5 star review A religiously inspired thriller October 9 2009 By Midwest Book Review Religion and business are matters that can sometimes intersect An Angel for Maxey follows one Reese Maxey a renown marketer Called on to help push a new worldwide religion he soon finds that faith backed by business isn t all it s cracked up to be and that his pushing of the new faith may cost him his life But an angel might be there for him yet An Angel for Maxey is a religiously inspired thriller that will entertain as well as empower one s faith

Down Among the Crackers Rosa Pendleton Chiles,1900      **Judges and Saviors, Deborah and Samson** Hillel I.

Millgram,2018-03-09 This is a book about a book it is an in depth yet reader friendly analysis of the Book of Judges one of the most dramatic books of the Bible Against the commonly held view that this remarkable work is no more than a collection of hero tales stemming from Israel's earliest days in its land its Heroic Age so to speak this study makes the case that the Book of Judges is a unified composition with a single focused message that it is the values held by a people and not its politics that determine its fate Further Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society both inflicted from without and generated from within And not least that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality The larger than life heroes and heroines Ehud and Jael Deborah and Gideon Jephthah and Samson who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world      The Shamrock ,1874      Borderland William Thomas Stead,1893      The London reader of literature, science, art, and general information.
