assumed a new form becoming increasingly centered around caring for the objects of everyday life objects she was charged with keeping as if they were her own in spite of the legal strictures governing women s property rights Korda deftly shows how their positions in a complex and changing social formation allowed women to exert considerable control within the household domain and in some areas to thwart the rule of fathers and husbands

### **Shakespeare's Comedies**

Cliffs Notes,1999-02 Finally Summaries and Commentaries for All of Shakespeare s comedies are available in one easy to access volume

The Comedy of Errors probably Shakespeare s earliest work features a plot both romantic and melodramatic juggling mistaken identities and the confusion of twins The Two Gentlemen of Verona is peppered with mercurial motivations and bittersweet romance playfully laced with comic resolution Love s Labour s Lost one of Shakespeare s most original plots uses irony and satire to

gently mock young lovers inviting us to laugh at our own youthful follies A Midsummer Night s Dream features fairies playing magical havoc with woeful lovers until all is resolved with wedding celebrations and broad comic entertainment by rustic well meaning bumpkins The Merchant of Venice more serious than comedic investigates various attitudes toward money and

wealth The Taming of the Shrew relying heavily on physical appearance and visual effect uses mistaken identities puns and a play within a play Whether the shrew is actually transformed through a cunning use of psychology is still debatable Much Ado About Nothing a witty battle of the sexes in more earthy and naturalistic language than some of Shakespeare s other romantic comedies concludes with dancing and a celebration of blissful wedded love As You Like It contains the evergreen

Forest of Arden ripe for satiric caricaturing of shepherds philosophers and the dreaded curse of banishment The Merry Wives of Windsor one of Shakespeare s most frivolous stage offerings gives a delightful glimpse of the England of his own time and features the amoral Sir John Falstaff one of the playwright s comedic masterpieces Twelfth Night revolves around twins separated by a shipwreck and the irrationality of young lovers a favorite theme of Shakespeare the comic subplot poking fun at gloomy conservative types adds welcome panache Troilus and Cressida usually labeled a tragicomedy because of its theme of moral corruption and disintegration contains comedy that is more wry than bawdy or clever All s Well That Ends Well like Shakespeare s other dark comedies treats in typical fashion the standard romantic theme of love triumphant Measure for Measure uses disguise and comedy to lighten the theme of moral decay Pericles represents Shakespeare s unique blend of comedy and tragedy Cymbeline showcases a panorama of popular romantic motifs and themes The Winter s Tale one of Shakespeare s more naturalistic pieces is rich and romantic and concludes with marriage and the promise of happiness The Tempest is a visual feast of magic and theatrical spectacle emphasizing resolution after deception It is commonly believed to be the last play that Shakespeare wrote
