**The Story of Daniel** J Carl Laney, 2024-07-16 The book of Daniel contains some of the classic and most memorable stories of the Bible From an early age children are captivated by the accounts of Daniel in the lions den Daniel s three friends in the fiery furnace and the handwriting on the wall at Belshazzar s feast Even as adults we still find these stories engaging and brimming with relevant applications for the challenging days of the 21st century Yet the book of Daniel is more than an exciting story Daniel s prophecy is rich in practical theology The account of Nebuchadnezzar s pride and downfall emphasizes the fact that God alone is sovereign and that he is the hand in the glove behind the rise and fall of leaders and nations Daniel s visions reveal that God is sovereign over the future of the Gentile nations as well as the nation of Israel The book of Daniel also reveals a great deal about Israel s Messiah the son of man who takes his seat with the Ancient of Days and exercises divine authority Could it be significant that the epitaph son of man first appearing in Daniel 7 13 is used 83 times in the four Gospels referring to Jesus Some of the prophecies of Daniel have been fulfilled in the past such as the rise and rule of Antiochus Epiphanes who desecrated the Jerusalem temple in 167 BC The fulfillment of past prophecies gives readers confidence that Daniel wrote by divine inspiration and that his prophecies about the future will be literally fulfilled as well In *The Story of Daniel* we will explore the book of Daniel chapter by chapter looking for the abiding truths of God s Word

and the practical application of these truths for today      *Facing the Lions* James L Crawford Th D, 2020-11-09 The story of Daniel is one of the best known stories from the Old Testament that is often misunderstood The author wants the reader to picture the life of Daniel wise advisor to the kings This book is taking the book of Daniel as a literal story and trying to put together the life of the man who lived to be very old Though much of the story is fiction it follows the story as it is given in the Bible as well as drawing from archeological information and the author's own imagination weaving a tale of the prophet who served under six kings while in exile Travel back in history and read the tale of Daniel and his friends Shadrach Meshach and Abednego facing the lions as they navigate life within the pagan Babylonian kingdom The author hopes that one might discover things about Daniel that they did not know before Daniel was not a fairy tale a figment of fiction but an historical man and this is a biblically based story of his life      **The story of Daniel** Lucy Diamond, 1957      **Studies in the Book of Daniel** Robert Dick Wilson, 1917 This commentary on the Biblical Book of Daniel answers crucial questions about the significance of his prophecy and of the culture he lived among Not content with simply interpreting the prophecy of Daniel Robert Dick Wilson delves into the social historical and cultural aspects of ancient Babylonia The significance of Nebuchadnezzar II in the story of Daniel how his dreams were interpreted to become some of the most significant aspects of Old Testament prophecy is discussed Other chapters focus on the Chaldeans and their society the opposition that Babylon had to Israel Daniel himself being a captive Hebrew man taken from his homeland as a child and the possibility that Nebuchadnezzar was mentally ill The allusions to the events at the King's court in the Book of Daniel are examined in detail with conclusions drawn to the most reasonable extent possible Certain elements of the story such as Daniel being placed in a den of lions are deemed to have been likely The existence of vast prides of lions roaming the then very fertile Euphrates plains and the discovery of lion reliefs and sculpture in ancient Babylonian excavations make a specially built den of lions a distinct possibility Robert Dick Wilson was a linguist who studied the Bible Fluent in Greek Hebrew Aramaic and other ancient tongues his scholarly gifts were famous in his native Pennsylvania and beyond Part of the Presbyterian movement he spent most of his life seeking to prove the veracity and truth of the Biblical lore      **Understanding the Book of Daniel** Pastor Bruce Ball, 2020-11-25 The bible book of Daniel is a book of prophecies that were given to Daniel by God It is about human kind and what will happen if humans continue to sin against God and it also details what will happen if humans stop sinning against Him and turn towards Him It not only details the story of how Daniel and his friends were thrown into a blazing furnace yet walked out without them or the clothes they were wearing being singed by that fire It also tells about when Daniel was put into the lions den overnight and survived But it does more than just tell us the stories It tells us why they happened and how Daniel survived both incidents You will find intrigue suspense and even joy in this book      Book by Book, 1896      **The Story of Daniel the Prophet (Classic Reprint)** Stephen Nelson Haskell, 2017-10-12 Excerpt from The Story of Daniel the Prophet God grant that as it falls into the hands of the careless and unbelieving they may be influenced to

read and as they read may behold the beauty of our God and be led to worship toward His holy temple We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise the most studious will find food for thought and thus become better acquainted with the character of our Heavenly Father Those who wish to enter into a more comprehensive study will find that the marginal references Open up many veins of precious ore in the deep mines Of God's Word About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
