FINANCIAL TIMES BEST HISTORY BOOK OF 2022 _____ Rigorous deft and entertaining a sparkling read The Spectator The ride is thrilling a work of serious scholarship Sunday Telegraph _____ For centuries Ferdinand Magellan has been celebrated as a hero a noble adventurer who circumnavigated the globe in an extraordinary feat of human bravery a paragon of daring and chivalry Now historian Felipe Fernández Armesto draws on extensive and meticulous research to conduct a dazzling investigation into Magellan's life his character and his ill fated voyage He reveals that Magellan did not attempt much less accomplish a journey around the globe and that in his own lifetime the explorer was abhorred as a traitor reviled as a tyrant and dismissed as a failure Fernández Armesto probes the passions and tensions that drove Magellan to adventure and drew him to disaster the pride that became arrogance audacity that became recklessness determination that became ruthlessness romanticism that became irresponsibility and superficial piety that became in adversity irrational exaltation And as the real Magellan emerges so too do his true ambitions focused less on circumnavigating the world or cornering the global spice market than on exploiting Filipino gold Offering up a stranger darker and even more compelling narrative than the fictional version that has been glorified for half a millennium Straits untangles the myths that made Magellan a hero _____
