The Works of Jacob Behmen: The mysterium magnum: or, An explanation of Genesis. Four tables of divine revelation Jakob Böhme, 1772 [The Gift of Thorns](#) A. J. Swoboda, 2024-02-20 Today s follower of Jesus exists at a moment in history when our desires longings and wants are being weaponized against us by cultural spiritual and relational forces Follow your heart and You do you has become our moment s mantras The result for too many is feeling torn asunder by the raging desires within What do we do with our desire What about our unwanted desires And how do we cultivate desires which bring life and freedom and lead to Christ The Gift of Thorns by A J Swoboda addresses these questions and more The path forward is anything but easy It is assumed by too many in the Christian community that desire is in and of itself bad or dangerous and must be crucified for simply existing Desire is demonic for some But for many others particularly in the secular West desire must be followed through and through This side deifies desire But these two options sidestep the joy in the great challenge of finding God in our desire There exists an ancient and sacred way that is forged around the life wisdom and power of Jesus and his Spirit In
