Stranger Among Friends:

Stranger Among Friends David B. Mixner, 1996 From my fear of coming out to coming on strong in the struggle for human rights this is my American journey the story of an outsider on the inside a gay man proudly committed to a life of standing up for freedom President Clinton and I were born three days apart We had both dreamed of serving our country There was one difference He could pursue his dream while I felt I could not The President was born straight and I was born gay In this stirring personal history one of America's most influential gay rights advocates recounts his extraordinary career as a policy maker and adviser to the major political leaders of our time and his own often anguishing ultimately triumphant life as a gay man A longtime personal friend of Bill Clinton in *Stranger Among Friends* David Mixner offers an insider's look at the power struggles that occur every day in our nation's capital and candid insights on the Clinton administration's successes and failures Spanning three decades of human rights activism from the behind the scenes negotiations to the painful betrayals to the hard won victories his forthright story unflinchingly explores what it means to be an outsider on the inside and sends a message of hope to all who have ever stood up for what they believe From the Trade Paperback edition

On the Fringe David M. Rayside, 2018-09-05 Does the idea of equality for sexual minorities have as strong an influence as the media suggest How often do politicians come out forthrightly in support of gay rights Drawing on more than three hundred interviews with activists politicians officials legislative aides and journalists David Rayside shows that gays lesbians and their political issues are still on the fringe of the political mainstream His landmark study of political access demonstrates that despite the overall tempering of anti gay rhetoric in the 1990s opponents of equality are formidable and standing up for sexual minorities is still widely thought to be politically risky Rayside documents a high profile controversy in each of three countries gays and lesbians in the military in the United States sexual orientation and human rights legislation in Canada and the age of consent battle in the United Kingdom In addition in depth interviews of openly gay elected officials from three countries U S Congressman Barney Frank Canadian Member of Parliament Svend Robinson and British M P Chris Smith provide an inside look at the political process the negotiation of gay and lesbian policy issues on a daily basis the attitudes of colleagues in various political parties and the tensions created when grassroots and mainstream activism intersect with each other The only major book to look at gay and lesbian politics in three culturally similar but politically disparate countries *On the Fringe* explores the political workings and impact of a modern social movement

When We Dead Awaken: Australia, New Zealand, and the Armenian Genocide James Robins, 2020-11-12 On April 25th 1915 during the First World War the famous Anzacs landed ashore at Gallipoli At the exact same moment leading figures of Armenian life in the Ottoman Empire were being arrested in vast numbers That dark day marks the simultaneous birth of a national story and the beginning of a genocide *When We Dead Awaken* the first narrative history of the Armenian Genocide in decades draws these two landmark historical events together James Robins explores the accounts of Anzac Prisoners of War

who witnessed the genocide the experiences of soldiers who risked their lives to defend refugees and Australia and New Zealand's participation in the enormous post war Armenian relief movement By exploring the vital political implications of this unexplored history When We Dead Awaken questions the national folklore of Australia New Zealand and Turkey and the mythology of Anzac Day itself *Privilege* Michael S. Kimmel, 2018-04-17 Privilege is about more than being white wealthy and male as Michael Kimmel Abby Ferber and a range of contributors make clear in this timely anthology In an era when diversity is too often shorthand for of color and or female the personal and analytical essays in this collection explore the multifaceted nature of social location and consider how gender class race sexual orientation disability and religion interact to create nuanced layers of privilege and oppression The individual essays taken together guide students to a deep understanding of the dynamics of diversity and stratification advantage and power The fourth edition features thirteen new essays that help students understand the intersectional nature of privilege and oppression and has new introductory essays to contextualize the readings These enhancements plus the updated pedagogical features of discussion questions and activities at the end of each section encourage students to examine their own beliefs practices and social location *The financing* Hugh Ronald Conyngton, 1921 *Leichtigkeit und Enthusiasmus* Esther Barbara Kirschner, 2009 Edited by Annelie Lutgens Esther Barbara Kirschner Text by Markus Bruderlin Dominic Eichler Michael Glasmeier **The Friend**, 1879
