Teilhard Scripture And Revelation:

Teilhard, Scripture, and Revelation Richard W. Kropf, 1980 A systematic thematic survey of the writings of Teilhard de Chardin that concentrates on the inspiration given Teilhard by scriptural themes especially those drawn from St Paul for Teilhard appealed to these themes often in confirmation of the basic orthodoxy of his synthesis **Teilhard de Chardin** David Grumett, 2005 Pierre Teilhard de Chardin 1881-1955 has been regarded for too long as an esoteric thinker who evacuates theology by subjecting it to scientific theory There is an urgent need to reclaim him as a French catholic theologian with intellectual roots in the early twentieth century Teilhard's imaginative and inspiring work is grounded in the constructive use of biblical and patristic motifs and in his own life experiences of war exile and scientific endeavour From these he develops a distinctive philosophical theology which combines elements frequently assigned to the separate domains of philosophy of religion systematic theology and mysticism Teilhard provides a detailed theology of human embodiment and natural substances whilst his theories of human action passion vision and virtue offer suggestive resources to pastoral theology His evolutionary cosmology and social democratic politics are discussed in their historical context and the significance of his work for the ongoing dialogue between science and religion is assessed **Teilhard, Scripture, and Revelation** Richard William Kropf (priest), 1980 **Teilhard's Mass** Thomas Mulvihill King, 2005 Essays by Teilhard de Chardin on the text of the Mass of the World from his work *The Divine Milieu* *Many Roads Lead Eastward* Robert D. Miller II, OFS, 2016-10-27 Is there a gap between the academic study of the Bible and the work of theologians What lies behind this gap And most important how have biblical scholars tried to bridge the gap with hermeneutical methods This book addresses the exegesis vs theology impasse and categorizes the most important attempts to bridge it over the past century especially those of the last decades These attempts are assessed and evaluated so that readers can see the philosophies undergirding each and the potential each has for a true theological interpretation of the Bible [Globalization and Multicultural Ministry](#) David J. Ayotte, 2012 Behind simplified economic and political perceptions of the forces of globalization is a much more complex spiritual evolutionary process whereby the world and all creation is being drawn into being the presence of Christ a Christogenesis **How Would we Know what God is up to?** Ernst M. Conradie, Cynthia D. Moe-Lobeda, 2023-06-22 Academic finite co-travellers who will dare to accept are invited in the ecotheological Anthropocene period to journey together without a roadmap exploring the probing and unnerving question What is God up to This question is exploringly posed and rigorously pursued in the book The reader will find themselves enraptured by the breadth depth and height of a methodological approach to the uncharted landscape of the mystery of an infinite God as well as sense-making narratives of our world contextually and receptively and constructively as well as sensitively Prof Danie Veldsman Department Systematic and Historical Theology Faculty of Theology and Religion University of Pretoria Pretoria South Africa Since we live on a planet in peril this proposed ecotheology summa is both timely and significant This book and the series as
