The Catechism Explained Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface [A commentary on](#)
