## **The Marxian Revolutionary Idea:**

*The Marxian Revolutionary Idea* Robert C. Tucker, Woodrow Wilson School of Public and International Affairs. Center of International Studies, 1969 In his parting word about Marx at Highgate Cemetery Engels characterized his friend as before all else a revolutionist This was a true summation of Marx both as a man of action and as a thinker For as a theorist Marx was before all else a theorist of revolution The revolutionary idea was the keystone of his theoretical structure Marxism as he fashioned it with the assistance of Engels was in its essence a theory and program of revolution **The Marxian**

**Marx's Ethics of Freedom** George G Brenkert,2013-10-17 This book reveals Marx s moral philosophy and analyzes its nature The author shows that there is an underlying system of ethics which runs the length and breadth of Marx s thought The book begins by discussing the methodological side of Marx s ethics showing how Marx s criticism of conventional morality and his views on historical materialism determinism and ideology are compatible with having an ideological system of his own In the light of contemporary social moral and political philosophy the insights and defects of Marx s major ethical themes are discussed

**Marx and Social Justice** George E. McCarthy,2017-11-01 In Marx and Social Justice George E McCarthy presents a detailed and comprehensive overview of the ethical political and economic foundations of Marx s theory of social justice in his early and later writings What is distinctive about Marx s theory is that he rejects the views of justice in liberalism and reform socialism based on legal rights and fair distribution by balancing ancient Greek philosophy with nineteenth century political economy Relying on Aristotle s definition of social justice grounded in ethics and politics virtue and democracy Marx applies it to a broader range of issues including workers control and creativity producer associations human rights and human needs fairness and reciprocity in exchange wealth distribution political emancipation economic and ecological crises and economic democracy Each chapter in the book represents a different aspect of social justice Unlike Locke and Hegel Marx is able to integrate natural law and natural rights as he constructs a classical vision of self government of the people by the people
