A photograph of a natural rock arch in a desert landscape. The arch is made of reddish-brown sandstone and frames a view of a blue sky with wispy clouds. The foreground shows the rugged texture of the rock. Faint, semi-transparent Latin text is overlaid on the image, particularly on the right side and bottom.

The Message of Proverbs David Atkinson, 2023-04-20 Despite the centuries which separate us from the authors of these proverbs the everyday realities of human existence remain making friends coping with sexuality handling money responding to poverty making a living learning through loss muddling through difficulties facing death David Atkinson shows how Proverbs addresses all these issues Wisdom he argues is about helping to cope about seeing the world in a fresh way to five new resources for living about working out what living for God means in the very ordinariness of daily life These sayings he explains bring such concerns to life in vivid imaginative often humorous pictures linking the cosmic and the homely The ancient book puts a mirror up to our behaviour and asks Are you like this Is there not a better way to live The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture These revised editions are updated with contemporary language and Bible translations to help you to follow and to teach the Bible in today's world

Tidball, 2020-05-21 Women appear in key places and roles throughout the biblical story line In the Old Testament we find Eve in the garden of Eden the matriarchs Sarah Rebekah Leah and Rachel Deborah and Ruth in the time of the Judges the prophetesses Huldah in King Josiah's time the capable woman of Proverbs 31 the passionate woman in the Song of Songs In the Gospels various women are involved in the life of Jesus not least his mother Mary and the first witnesses to his resurrection The book of Acts includes Lydia the converted businesswoman and Priscilla the fearless teacher Furthermore both testaments also contain much teaching about women's life and ministry for example in prayer in worship in marriage and in leadership Derek and Dianne Tidball's wide ranging exposition begins with some foundations about women in creation and in the new creation Next they survey women under the old covenant Thirdly they examine women in the kingdom of God in the life and teaching of Jesus and in the final section they deal with women in the new community of the early church and grapple with some of the more controversial writings of the apostle Paul Mindful of the complexities challenges and debates the authors seek to approach the Bible with humility and integrity while addressing vitally relevant issues for Christians today with clarity and confidence *The Message* Eugene H.
