## **The Message Of Deuteronomy Not By Bread Alone:**

**The Message of Deuteronomy** Raymond Brown, 2021-12-16 On the Plains of Moab Moses looks to the future forecasting the challenges that the coming generations of Israel will face and applying God's covenant word to new situations In this clear cogent exposition Raymond Brown guides us to hear and appreciate the timeless relevance of The Message of Deuteronomy He illuminates the meaning Deuteronomy still carries for Christians today showing us how God's law comes alive again as a guide to good living a call to wholehearted repentance and a promise of healing restoration under God's merciful hand Part of the loved and trusted The Bible Speaks Today series of commentaries The Message of Deuteronomy offers an insightful readable exposition of the Biblical text and thought provoking discussion of how it relates to contemporary life Used by Bible students and teachers around the world The Bible Speaks Today commentaries are ideal for anyone studying or preaching Deuteronomy looking to get a better grasp on the text This beautifully redesigned edition has also been sensitively updated to include modern references and use the NIV Bible text Readable and reliable The Message of Deuteronomy is a book for anyone looking for a commentary on Deuteronomy that makes clear its meaning both in its original context and for twenty first century readers

**Deuteronomic Theology and the Significance of Torah** Peter T. Vogt, 2006 One of the few areas of consensus in modern Deuteronomy scholarship is the contention that within the book of Deuteronomy there is a program of reform that was nothing short of revolutionary Although there are divergent views regarding the specific details of this revolutionary program most scholars agree that in fundamental and profound ways Deuteronomy was radical in its vision This vision was expressed in key ideas centralization of worship secularization and demythologization of earlier traditions However Vogt argues that these ideas fail to account adequately for the data of the text of Deuteronomy itself Instead he claims at the heart of Deuteronomic theology is the principle of the supremacy of Yahweh which is to be acknowledged by all generations of Israelites through adherence to Torah Thus the book of Deuteronomy is in fact radical and countercultural but not in the ways that are usually adduced It is radical in its rejection of ANE models of kingship and institutional permanence in its emphasis on the holiness of life lived out before Yahweh and in its elevation of Yahweh and his Torah In the introductory chapter the structure and ideology of the book are examined Chapter 1 then examines some of the ways in which the theology of Deuteronomy has been understood namely in terms of centralization secularization and demythologization Chapters 2-5 evaluate key texts that are used to support the idea that centralization secularization and demythologization are at the heart of the theology of Deuteronomy An alternative reading of the texts is presented that highlights the supremacy of Yahweh and Torah The final chapter investigates the theological and ideological implications of this alternative reading of key texts

**Not Bread Alone** Nathan MacDonald, 2008-09-25 In ancient Israel the production of food was a basic concern of almost every Israelite Consequently there are few pages in the Old Testament that do not mention food and food provides some of the most important social political and religious symbols

in the biblical text *Not Bread Alone* is the first detailed and wide ranging examination of food and its symbolism in the Old Testament and the world of ancient Israel Many of these symbols are very well known such as the forbidden fruit in the Garden of Eden the abominable pig and the land flowing with milk and honey Nathan MacDonald demonstrates that the breadth biblical symbolism associated with food reaches beyond these celebrated examples providing a collection of interrelated studies that draw on work on food in anthropology or other historical disciplines The studies maintain sensitivity to the literary nature of the text as well as the many historical critical questions that arise when studying it Topics examined include the nature and healthiness of the ancient Israelite diet the relationship between food and memory in Deuteronomy the confusion of food sex and warfare in Judges the place of feasting in the Israelite monarchy the literary motif of divine judgement at the table the use of food in articulating Israelite identity in the post exilic period The concluding chapter shows how some of these Old Testament concerns find resonance in the New Testament *Jesus: the Man, the Mission, and the Message* C. Milo Connick, 1963 Bible history, by J. Reeve [ or rather, tr. and adapted by him from L'histoire du Vieux et du Nouveau Testament, by N. Fontaine]. Nicolas Fontaine, 1882 The Theosophist , 1888 *Festive Meals in Ancient Israel* Peter Altmann, 2011 This study investigates the festive meals in Deuteronomy's laws in comparison to depictions of meals in other biblical texts as well as ancient Near Eastern texts and iconography Its eclectic interdisciplinary approach includes discussion of the archaeology of meals in the ancient Levant and recent anthropological findings on meals in order to emphasize the centrality of meals for identity formation as well as for political and religious rhetoric in the texts of Deuteronomy *Origin and Transformation of the Ancient Israelite Festival Calendar* Jan A. Wagenaar, 2005 The book focusses on the origin and transformation of the priestly festival calendar Since the epoch making work of Julius Wellhausen at the end of the 19th century the differences between the various ancient Israelite festival calendars have often been explained in terms of a gradual evolution which shows an increasing historicisation denaturalisation and ritualisation The festivals were in Wellhausen's view gradually detached from agricultural conditions and celebrated more and more at fixed points in the year This study tries to show that the changes in the priestly festival calendar reflect a conscious effort to adapt the ancient Israelite festival calendar to the semi annual layout of the Babylonian festival year The ramifications of the change only come to the fore after a careful study of the agricultural conditions of ancient Israel and Mesopotamia makes clear that passover and the festival of unleavened bread were originally celebrated in the second month of the year The first month of the year envisaged by the priestly festival calendar for the celebration of passover and the festival of unleavened bread in turn mirrors the date of one of the two semi annual Babylonian New Year festivals The two Babylonian New Year festivals were celebrated exactly six months apart at the vernal and autumnal equinoxes In order to adapt the ancient Israelite festival calendar to the Babylonian scheme with two New Year festivals a year the date of passover and the festival of unleavened bread had to be moved up by one month The consequences for the origin of passover the festival of unleavened

bread the festival of weeks and the festival of huts are charted and the relations between the various ancient Israelite festival calendars are determined anew

**God Has Preserved His Text!** Wilbur N. Pickering, ThM PhD, 2024-06-02 Wilbur N Pickering is a Christian missionary living in Brasilia Brazil He has a ThM and a PhD in Linguistics Of those actively involved in NT textual criticism no one holds a more radical view in defense of the inerrancy and objective authority of the Sacred Text This includes the position that the precise original wording has been preserved to our day and that we can know what it is This book marshals objective evidence in defense of that conviction For some time Dr Pickering has felt that among the many hundreds of Greek manuscripts of the NT known to exist today surely God would have preserved the original wording After years of searching and comparing such manuscripts he has concluded that God used a certain line of transmission to preserve that wording That line is by far the largest and most cohesive of all manuscript groups or families It is distinguished from all other groups by the high level of care with which it was copied Dr Pickering holds copies of perfect manuscripts of that family's archetype for 22 of the 27 books It is both ancient and independent and is the only one that has a demonstrable archetypal form in all 27 books That archetypal form has been empirically objectively identified by a wide comparison of family representatives and it is indeed error free
