Terror In Russia:

Rule of Terror Hellmut Andics, 1969 **The Red Terror in Russia** Sergey Petrovich Melgounov, Uritsky People's Commissary of the Northern Commune and a leading spirit of the Che Ka of Petrograd was assassinated on August 17 1918 by a Socialist ex student named Kannegiesser who during the war had been a military cadet In the official report of the assassination it was said Leonid Kannegiesser asserts that he killed Uritsky solely of his own free will in revenge for the arrest of certain army officers and for the execution of his friend Peretzweig but in no case in obedience to orders from any political party or association On August 28 another Socialist in this instance a Madame Kaplan attempted similarly to assassinate Lenin And how did the Soviet Government respond to these terrorist acts A semi official communique published in the issue of the Che Ka's Weekly of October 20 reported that by a decree of the Che Ka 500 hostages had been shot Nor yet is the true number of these victims known And probably it never will be known And the same with regard to the victims names Nevertheless it can at least be asserted that the real figure greatly exceeded the figure given in the semi official communique and that the original of the report was never published at all In August last two barge loads of Russian officers were scuttled in the Gulf of Finland and some of the officers bodies washed up on the shores of a property belonging to a friend of mine lashed together with barbed wire in twos and threes Will this be deemed an exaggeration Yet Moscow and Petrograd still contain numbers of persons who could confirm the facts whilst another source tells us that as late as the year 1921 the Bolsheviks were disposing of their political opponents in the same barbarous manner From another eye witness of events in Petrograd of the period we have the following details As regards Petrograd it is usual to place the number of executions for the year 1918 at 1300 True the Bolsheviks admit to 500 only but that is because they take care not to include in the estimate the hundreds of officers and ex civil servants and private individuals who were shot in Kronstadt and the Fortress of SS Peter and Paul shot not by actual order of the central authorities but by order of local soviets Kronstadt alone saw 400 shot in a night after being posted before three huge graves dug in the courtyard of the fortress Interviewed by a newspaper correspondent at this period Peters one of the chiefs of the All Russian Che Ka described the Terror as a terror simply of hysteria Then he went on In spite of popular rumour I am not as bloodthirsty as I am represented to be All that has happened is that a few over excitable revolutionaries lost their heads and showed too much zeal As regards Petrograd no shootings at all took place before Uritsky's murder though there have been many since and sometimes the shooting was indiscriminate and as regards Moscow its only response to the attempt upon Lenin has been the execution of a few ex monarchical Ministers But added the merciful Peters meaningly I should like to say that every endeavour on the part of the Russian bourgeoisie to raise its head again will be met with such a rebuff with such a chastisement as will throw even the Red Terror into the shade **The Red Terror in Russia** Sergei Petrovich Mel'gunov, 1969 **The terror in Russia** Petr Alekseevič Kropotkin, 1909 **The Terror in Russia** Petr Alekseevich Kropotkin (kniĭaĭz'), 1909 **Blowing Up Russia**

 impasse from which neither side has been able to remove itself It applies theories of conflict especially theories of terrorism
