Greenberg, Kerrie L. Hughes, 2010-02-02 Brilliant original sci fi and fantasy stories featuring brave and bold heroines Thirteen urban and paranormal tales of strong women armed with weapons they are not afraid to use as well as fists and feet of fury who face monsters and bad guys and are not above rescuing men in the process      **Bullies and Mean Girls in Popular Culture** Patrice A. Oppliger, 2013-10-03 The numerous anti bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem      Teen Haunted House Mysteries Bundle: Ghost Girl in Shadow Bay & Teen Ghost at Dead Lake R.
