The Penny Whiting Sailing:

The Penny Whiting Sailing Book Penny Whiting, 1984 *Sailing with Penny Whiting* Penny Whiting, 2002 Introduction It has given me great pleasure to be able to introduce people of all ages to the joy and excitement of sailing I have been teaching since 1968 first using my father's sloop Coruba in Auckland and then later on the beautiful waters of Vancouver Harbour Canada aboard the former America's Cup challenger Dame Pattie I have taught thousands of people to sail including hundreds of children and I do wish to emphasise that sailing is not a sport or pastime that requires brute strength The heaviest thing you will ever have to do is to get the sail out of the cabin through the hatch and onto the deck or to lower or pull up the anchor or to get your trailer sailer on and off its trailer But for actual sailing sheer brute strength just doesn't come into it If anything else is proving hard to do then you're simply doing it the wrong way sailing is easy It's simply knowing how to and doing things the right way this book has been written so that novices on board any kind of sailing craft can adapt the information to suit This book covers what I believe are the basics of sailing that must be understood by all beginners Without this knowledge you are a liability not only to yourself but also to the boat you sail on The core of the book is a step by step guide that will enable you to go out there and sail and build experience For reading alone won't make you a sailor If possible try to sail with someone experienced with whom you can test your knowledge Take any opportunity to sail on different kinds of yachts Sail as much as you can Penny Whiting MBE **The America's Cup** Penny Whiting, 2002 Penny Whiting a well known sailor sailing teacher sailing competitor and sailing commentator has written this book for those people who don't have a sailing background In easy to understand language she explains the machinations of the Cup campaign from what the Louis Vuitton Cup Challenger's Series is and how it is run to what stern port and starboard mean There are over 20 line drawings that explain sail names parts of the yachts where crew members are situated on the boats and what some of the terminology commentators use during races actually means This book has been officially licensed as an America's Cup Authentic Cup Product and its contents have been checked and authorised by Team New Zealand Includes extensive glossary of sailing terms *Endless Summer* Rebecca Hayter, 2000-01-01 **Fifty Places to Sail Before You Die** Chris Santella, 2012-11-16 Championship racers and professional adventurers disclose their favorite destinations in an inspiring volume of stories travel tips and photos Featuring some of the best known men and women in the sport Tom Whidden and Gary Jobson members of the winning 1987 America's Cup crew Jeff Johnstone of J Boats award winning sailing writer Lin Pardey and many others this is a unique full color celebration for sailors to relive their greatest memories or plan their next big adventure The amazingly diverse places they've selected include Australia Fremantle and Sydney Bermuda St George's Harbor Brazil Bay of Ilha Grande California Channel Islands and San Francisco Bay Chile Cape Horn Italy Costa Smeralda Sardinia Maine Boothbay Harbor Penobscot Bay Southwest Harbor Florida Biscayne Bay and Key West Scotland Firth of Clyde South Africa Cape Town and dozens more For each place the sailor recommending the venue spins an entertaining

yarn about their experience there and each description is accompanied by a make you want to go there now photograph From the relative indolence of cruising the Dodecanese or the British Virgin Islands to the white knuckle adventure of rounding Cape Horn to the thrill of partaking in the regatta off Newport Fifty Places to Sail Before You Die captures the rich and varied world of recreational sailing and may just inspire you to set sail on some new adventures of your own
