The Peril Of Faith:

The Peril of Faith Martin L. Bard, 1985-01-01 *Lux Mundi: A Series of Studies in the Religion of the Incarnation* H. S. Holland, Aubrey Moore, E. S. Talbot, J. R. Illingworth, R. C. Moberly, Arthur Lyttelton, C. Gore, W. Lock, F. Paget, W. J. H. Campion, R. L. Ottley, 2023-10-24 *Lux Mundi* A Series of Studies in the Religion of the Incarnation serves as a pivotal anthology that encapsulates a significant shift within theological thought particularly within the Anglican tradition It showcases a breadth of literary styles ranging from rigorous academic discourse to more reflective meditative essays all centered around the incarnation of Christ and its implications for modern faith and life The diversity and depth of the contributions make it a cornerstone collection illuminating varied perspectives on a foundational Christian doctrine while also daring to engage with contemporary scientific and moral philosophy thus bridging the gap between faith and reason The contributing authors including H S Holland Aubrey Moore and C Gore among others are distinguished for their profound contributions to theology and the broader intellectual movements of their time Collectively aligned with the broader Liberal Anglicanism movement their works in this anthology reflect a nuanced attempt to reconcile traditional Christian doctrine with the rapid advancements and discoveries of the late 19th and early 20th centuries Their diverse academic and clerical backgrounds enrich the anthology offering a tapestry of insights that speak to a wide audience of both believers and skeptics Religion of the Incarnation is not just a scholarly exploration but a compelling invitation to readers interested in theological and philosophical questions It holds significant educational value providing a comprehensive overview of a transformative period in Anglican theology through the voices of its most influential thinkers For those seeking to understand the complexities of faith in a rapidly changing world this collection offers a multitude of perspectives encouraging a deeper engagement with the questions that have shaped Christian thought and practice for centuries *The Christian Doctrine of Faith* James Hastings, 2017-03-09 This is not a theological treatise on the one hand nor on the other is it a volume of sermons Like its predecessor the volume on Prayer it has a distinct office to fulfill an office that in the judgment of the editor is of immense importance For between and the professor's lecture room and the preacher's study there is a great gulf fixed In the lecture room the lectures on systematic theology are laboriously entered into notebooks which are useful for the exit examinations But when the active work of the ministry begins and so many sermons have to be prepared every week the cupboard into which those notebooks have been stowed away is left undisturbed The preacher begins to spin his sermons out of his own brains with the assistance of such popular books as happen to be at his hand From the Preface **Lux mundi, studies in the religion of the Incarnation, ed. by C. Gore** Lux, 1890 *Rome and the Newest Fashions in Religion* William Ewart Gladstone, 1875 *The Christian Witness and Advocate of Bible Holiness*, 1899 *The Secret Trials of the Christian Life* George Edward Jelf, 1875 **The World's Student Christian Federation** World's Student Christian Federation, 1898 **Christian Evidences** Ezekiel Gilman Robinson, 1895 **Religion without Ulterior Motive**

Borght,2007-03-31 The awareness of the potential for abuse of religion has risen dramatically in the West since 9 11 We all seem to agree that the abuse of religion should be averted and condemnation of the abuse of religion is almost universal Bram van de Beek systematic theologian at Vrije Universiteit Amsterdam has radicalised this discourse by claiming that religion should not be allied to any cause not even to a good cause He illustrates this by the way theology has been instrumentalized within the Reformed tradition in e g apologetic theology liberation theology theocracy and pietism His thesis provokes fervent discussions Twelve prominent theologians react on issues such as public theology evangelical activism Christian life the relevance of reasons for faith the unity of the church and contextualization of religion in various parts of the world At stake is the assertion that precisely religion without ulterior motive is the best guarantee for relevant religion
