Travels on the Northern Path of Initiation Are Thoresen, 2021-10-28

In March 2020 Are Thoresen contracted Covid 19 Whilst convalescing from the disease and suffering great exhaustion he experienced a breakthrough in his daily meditation Although he has always been able to see into the spiritual world now deeper unknown realms appeared to his inner vision In the soapstone surround of the fireplace in his Norwegian home he perceived the elemental beings and forces that make up the mineral at an atomic level A few days later an even deeper dimension revealed itself in the form of a void or vacuum Here astonishingly was an open portal to the entire cosmos In Travels on the Northern Path of Initiation Thoresen shares the results of his latest spiritual investigations including a moving life changing encounter with the Light of the World He details the teachings he receives from the beings Vidar and Balder who stand as guardians to the threshold of the outer etheric world and characterizes the Northern way of initiation which is based on merging or fading into nature Thoresen documents Rudolf Steiner's descriptions of this path and shows how it is reflected in the Old Norse Poetic Edda the Kalevala and von Eschenbach's Parzival Based on painstaking research he describes the individual qualities of the three elemental realms and how the adversarial forces seeking to corrupt human senses hinder spiritual observation of them Thoresen's book is a powerful personal testimony to the human potential for spiritual knowledge and experience in our time

The Path of Initiation I and II Lucille Cedercrans, 2004-08 You are seekers all of you seeking Truth as man has sought Truth throughout all of his many experiences That seeking has been the basic cause of all your experiences regardless of their nature The so called good and the bad have been the result of man's great desire to know The vague indescribable restlessness within which drives man from one experience to the other is his demand for Truth And what is the Truth that man seeks His own Identity The realization that he is a Son of God a Conscious Soul Incarnate Down through the ages a man here and there has found that Truth has established once and for all the fact of his own Divinity and out of a selfless love for his brothers has tried to bring this Truth to all men Today the demand to know has risen from the sub consciousness of the race and humanity has a whole is conscious of this demand as the great need which must be fulfilled The spark of aspiration is being fanned into flame and as world conditions become more critical that flame can be seen to burn more brightly As human aspiration surmounts the greed of the separated self the demand of humanity for Truth will become so powerful as to bring it forth and man will be free Know the Truth and it shall make you Free The Path of Initiation pp 47-48

Tarot and the Path of Initiation Henry Ho, 2013-11 This book came into being from the author's exasperation at the ignorance of many users of the Thoth tarot deck. They prefer to go by their intuition rather than study Crowley's companion book to the deck *The Book of Thoth*. It's too dense they cry I'm not interested in these philosophies I just want to read Tarot. The above sentence is the greatest insult to Aleister Crowley the creator of the Thoth deck. For the deck's purpose was to convey the higher mysteries to the diviner Crowley intended for the deck never to be sold separately from the Book of Thoth. And so heart full of elitist snobbery and sense of obligation to Crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents. In the spirit of Crowley who sought to enlighten the world the author has added his own contribution to Crowley's legacy out of duty. It was due to Crowley's belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the Book of Thoth.

Tarot and the Path of Initiation Henry Ho, 2023-10-05 The revised and improved edition of the Tarot and the Path of Initiation. This book marks the author's first steps into tarot Thelema and the Western Magickal Tradition. It is a book by a beginner for other beginners founded on the idea that someone who has just learnt the material is more able to explain it in simple terms than a master who is overly familiar with the complex landscape. May it contribute to your own understanding of Aleister Crowley's Thoth deck and of Thelema.
