**the English Roadside, with Poems and Ballads** George Meredith,2013-01-08 Modern Love and Poems of the English  
Roadside occupies a distinctive and somewhat notorious place within George Meredith's already unique body of work  
Modern Love is now best known for the emotionally intense sonnet cycle which Meredith's own contemporaries dismissed as  
scandalously confessional and indiscreet While individual sonnets from the work have been anthologized the complete cycle  
is rarely included and the original edition has not been reprinted since its first appearance in 1862 This edition restores the  
original publication and supplements it with a range of accompanying materials that will reintroduce Meredith's astonishing  
collection of poetry to a new generation of readers
