[The John Varley Reader](#) John Varley,2004    [The John Varley Reader](#) John Varley,2004-09-07 From the moment John Varley burst onto the scene in 1974 his short fiction was like nothing anyone else was writing His stories won every award the science fiction field had to offer many times over His first collection The Persistence of Vision published in 1978 was the most important collection of the decade and changed what fans would come to expect from science fiction Now The John Varley Reader gathers his best stories many out of print for years This is the volume no Varley fan or science fiction reader can do without    **John Varley Reader** John Varley,2004    **The Mammoth Book of Mindblowing SF** Mike

Ashley,2009-07-30 Many readers are attracted to science fiction for that singular moment when a story expands your imagination enabling you to see something in a new light Not all SF works this way This volume collects the very best of it that does with 25 of the finest examples of mind expanding and awe inspiring science fiction The storylines range from a discovery on the Moon that opens up vistas across all time to a moment in which distances across the Earth suddenly increase and people vanish These are tales to take you from the other side of now to the very end of time from today s top name contributors including Stephen Baxter Alastair Reynolds Robert Silverberg Gregory Benford and Robert Reed

*Reading by Starlight* Damien Broderick,1995 Including studies of leading science fiction and cyberpunk texts Damien Broderick considers the characteristic writing marketing and reception of sci fi which distinguish it as a genre    **Blue Champagne** John Varley,1988-01-01 A collection of science fiction stories from the best writer in America Tom Clancy Hugo and Nebula award winning author John Varley John Varley s unique blend of startling technology and genuinely human characters has won him every major science fiction award several times over for both his novels and his short fiction Blue Champagne collects eight thought provoking stories from one of the genre s undisputed masters including the Hugo Award winner The Pusher and the Hugo and Nebula award winner Press Enter    **The Mammoth Book of Best New SF 18** Gardner Dozois,2012-03-01 The one unmissable SF collection Widely regarded as the essential book for every science fiction fan The Mammoth Book of Best New SF 18 continues to uphold its standard of excellence with more than two dozen stories from the previous year This year s volume includes not just a host of established masters but also many bright young talents of science fiction It embrace every aspect of the genre soft hard cyberpunk cyber noir anthropological military and adventure Plus the usual thorough summations of the year and a recommended reading list    **The Routledge Companion to**

**Gender and Science Fiction** Lisa Yaszek,Sonja Fritzsche,Keren Omry,Wendy Gay Pearson,2023-02-10 The Routledge Companion to Gender and Science Fiction is the first large scale reference work of its kind critically assessing the relations of gender and genre in science fiction SF especially but not exclusively as explored in speculative art by women and LGBTQ artists across the world This global volume builds upon the traditions of interdisciplinary inquiry by connecting established topics in gender studies and science fiction studies with emergent ideas from researchers in different media Taken together

they challenge conventional generic boundaries provide new ways of approaching familiar texts recover lost artists and introduce new ones connect the revival of old hate based politics with the increasing visibility of imagined futures for all and show how SF stories about new kinds of gender relations inspire new models of artistic technoscientific and political practice Their chapters are grouped into five conversations about the history of gender and genre theoretical frameworks subjectivities medias and transmedialities and transtemporalities that are central to discussions of gender and SF in the current moment A range of both emerging and established names in media literature and cultural studies engage with a huge diversity of topics including eco criticism animal studies cyborg and posthumanist theory masculinity critical race studies Indigenous futurisms Black girlhood and gaming This is an essential resource for students and scholars studying gender sexuality and or science fiction

**Religion and Outer Space** Eric Michael Mazur, Sarah McFarland Taylor, 2023-07-07

Religion and Outer Space examines religion in and on the final frontier This book offers a first of its kind roadmap for thinking about complex encounters of religion and outer space A multidisciplinary group of scholarly experts takes up some of the most intriguing scientific spiritual trade commercial and even military dimensions of the complex entanglements of religion and outer space Attending to the historical reality that the interconnections between religion and the heavens are as old as religions themselves the volume starts with an examination of outer space elements in the most sacred writings of the world's religions It then explores some of the religious questions inevitable in this encounter analyzing cultural constructions both literary and actual of religion and outer space It ends with examinations of the role of religion in the very real and very present business of space exploration What might motivate the spread of religion or at least fantasies of religion in its myriad possibilities into new interior and exterior dimensions of the cosmos Only the future will tell Religion and Outer Space is essential reading for students and academics with an interest in religion and space religion and science space exploration religion and science fiction popular culture and religion in America
