Special Relationship Anglo American Relations Since 1945:

The "Special Relationship" William Roger Louis, Hedley Bull, 1986 This collection explores the military political and economic links that have forged a thriving relationship between the United States and Britain since 1945 Tracing the development of this alliance the book examines the special bonds between Churchill and Roosevelt Eden and Eisenhower Macmillan and Kennedy and Thatcher and Reagan

'The Special Relationship' Christopher John Bartlett, 1992 This series explores key issues in world history since 1945 in volumes focused on nations regions themes and processes

The Special Relationship Anglo-American Relations Since 1945 William Roger Louis, 1989

Anglo-American Relations Since 1939 John Baylis, 1997-03-15 The documents also reveal the way the concept of the special relationship was used as a tool of diplomacy on both sides of the Atlantic

A Special Relationship John Dumbrell, 2001 Since the Second World War the idea of a special relationship between Britain and the United States has become a standard component of the political lexicon This text looks at the reality of this and at the future of this relationship

British Defence Policy Since 1945 Ritchie Ovendale, 1994 Based on excerpts from original sources this book provides an introduction to the controversies and dilemmas that have confronted those making and implementing British defence policy since the end of World War II Ovendale explores the policy dilemmas caused by Britain's parallel commitments to continental Europe and to a global foreign policy the legacy of her imperial past He also examines the decision in 1957 to rely on the nuclear deterrent abolish conscription and move away from a maritime strategy and the role of the Treasury in dictating the limits of British defence policy

American Foreign Relations Since 1600 Robert L. Beisner, 2003 In this book a team of distinguished historians has culled the most important published and unpublished works in U S diplomatic literature and thoroughly annotated them The work comprehensively covers five centuries from America's colonial era to the end of the 20th century with half the entries on works published since the first edition and nearly half on post World War II subjects

The United States and the European Alliance Since 1945 Kathleen Burk, Melvyn Stokes, 1999-07 This text explores the relations between the US and Europe since 1945 It looks at the alliance from different angles at personal and economic relationships as well as those focusing on defence

The Anglo-American Special Relationship' during the Second World War Anne Sharp Wells, British Library, 2000

Britain, the Cold War and Yugoslav Unity, 1941-1949 Ann Lane, 1996 This book sets out to examine the policy of the British Foreign Office towards Yugoslavia and the Tito Government during this important period Pivotal to this policy was the relationship between Yugoslavia and the Soviet Union and its effects on Soviet Western relations in general Foreign Office policy towards Yugoslavia is also explored in the context of Anglo Yugoslav relations and the degree to which Britain's need for American financial support as well as American commitment to the reconstruction of Western Europe limited Britain's freedom of action

Groningen Polemologisch Instituut,1990 **Britain and the Americas [3 volumes]** Will Kaufman,Heidi Slettedahl Macpherson,2005 This comprehensive survey also traces how the Americas have in turn influenced contemporary Britain from the Americanization of language and politics to the impact of music and migration from the West Indies Complete with an extensive introduction and a chronology of key events this two volume encyclopedia contains introductory essays focusing on the four prime areas of British Atlantic engagement Canada the Caribbean the United States and Latin America Students of a wide range of disciplines as well as the lay reader will appreciate this exhaustive survey which traces the common themes of British policy and influence throughout the Americas and highlights how Britain has in benefited from the influence of American democracy technology culture and politics **Bibliography of Imperial, Colonial, and Commonwealth History Since 1600** Andrew N. Porter,2002 The twentieth century witnessed an unprecedented growth of research and publication on the history of Britain s empire the Commonwealth and British expansion overseas Historical work by area specialists has transformed the state of knowledge concerning colonial North America India the Caribbean sub Saharan Africa South and South East Asia the Pacific and Australasia Much has been written about Britain s interests and presence in areas and societies never formally subjected to British rule such as Latin America and the Middle and Far East Most recently a preoccupation with the reciprocal impact of overseas expansion and colonial possessions on Britain itself has produced a rapidly growing historiography Publication on this scale has made it virtually impossible for anyone either to keep track of the results or to follow up particular interests Britain s overseas history has never been well supplied with comprehensive bibliographical aids and despite extensive public interest in the subject the position has steadily worsened Following the recent Oxford History of the British Empire this volume is therefore designed to provide a general source of reference and bibliographical guidance at once wide ranging up to date and accessible **Brassey's Defence Yearbook 1996** Michael Clarke,Michael Clark,1996 Brassey s Defence Yearbook is designed to offer comment and analysis on the current agenda of defence and security policies It features five main sections British defence policy European security arms control regional security and perspectives on security **British Naval History Since 1815** Eugene L. Rasor,1990 A historiographical and bibliographical survey of the published literature of the naval and maritime history of Great Britain in modern times An annotation in narrative form includes evaluation and critical assessments integration of the various interpretations theses approaches and methodologies into the overall literature and suggestions for further research The bibliographical listing includes selected secondary materials official publications dissertations and important articles in Western languages published since 1960 Annotation copyrighted by Book News Inc Portland OR *Kennedy and Macmillan* David Brandon Shields,2006-07-29 The relationship between President John F Kennedy and Prime Minister Harold Macmillan was a complex factor in the creation of Anglo American foreign policies in the early 1960 s Kennedy and Macmillan offers a systematic account of this personal friendship and questions the impact of the relationship in and of itself on Cold War

policymaking Assessing the nature of this relationship contributes to a greater understanding of Anglo American relations and also provides a tool for understanding the complex nature of international diplomacy during the Cold War This behind the scenes look at the decision making process reveals the reality of the statecraft and personal diplomacy during the Cold War

A Special Relationship John Dumbrell, 2006-10-17 In this comprehensively revised and updated new edition of the highly acclaimed text John Dumbrell assesses how and why the Anglo American special relationship found a new lease of life under Blair as Britain repeatedly chose the US in its evolving foreign policy orientation rather than Europe There was he argues no inevitability about this response to the post 9 11 international situation and its long term rationale and prospects still remain in doubt

Separate Agendas Daniel C. Williamson, 2006 Consisting of four illuminating case studies *Separate Agendas* examines different aspects of the relationship between Winston Churchill's government and the Eisenhower administration in the years before the Suez crisis By exploring Anglo American relations in Europe the Middle East and East Asia Daniel C Williamson provides a detailed analysis of four distinct issues while at the same time offering more general conclusions about Britain's role in the world In demonstrating how Britain was able to pursue foreign policy goals that were at odds with American wishes as well as exert influence on American diplomatic actions *Separate Agendas* sheds new light on the extent of Britain's continued importance as a world power This book will be valuable reading for scholars of Anglo American relations the early Cold War and the post war British Empire
