Teaching Literacy

Effectively in the Modern Classroom for Ages 5-8 Sue Dymock, Tom Nicholson, 2024-08-12 Designed as a one stop shop for classroom teachers this book covers assessment planning and progression of writing, spelling, decoding, vocabulary and comprehension to expand the teaching toolbox. Dymock and Nicholson explore major focus areas in literacy instruction for teachers based on data driven research advances. They provide the teacher a handy reference manual to consult when designing lessons to teach young children from diverse backgrounds to help them read and write for success. A general discussion of the research literature is built into the structure of the book to give teachers a knowledge base to teach and explain to children the why and the how of what they are learning. The chapters cover recent concepts of structured literacy including systematic teaching of decoding skills, vocabulary, comprehension, writing and spelling. This practical guide uses a scope and sequence approach to teaching that gives children a solid foundation of reading and writing skills. The resources and lesson ideas will engage diverse groups in a classroom including those at risk of literacy difficulties such as dyslexia so they also can achieve typical achievement levels for their age and beyond. Containing a wealth of resources and tips for teaching children ages 5-8 alongside easily downloadable lesson plans, hand drawn charts and posters this book will be of great interest to all classroom teachers involved in teaching literacy. This resource filled book will appeal to teachers, professionals and researchers in teacher training with a focus on the needs of the teacher providing practical and insightful ways to teach effectively in diverse classroom settings.

Teaching Literacy Effectively in the Modern Classroom for

Ages 9-12 Tom Nicholson, 2025-12-22 This practical guide presents the Big 5 of literacy: decoding, comprehension, vocabulary, writing and spelling. They are the five essential skills for success in school and in life. Tom Nicholson offers a toolkit to help you bring your class including those with persistent literacy learning difficulties such as dyslexia up to typically achieving level for their age and beyond. Designed as a one stop shop for classroom teachers this book covers assessment planning and progression of writing, spelling, decoding and comprehension with a range of practical, easy to follow charts, activities, lesson plans and posters. The final chapter is a Countdown to the Classroom showing how to plan for a successful and explicit start to literacy, how to encourage good conduct and how to be an effective leader. Chapters combine both the experience gleaned from a teaching career focused on literacy and countless hours of research. The author presents solutions for the pressing problem of achieving high levels of literacy in the modern classroom for all students not just some. Containing a wealth of resources and tips for teaching ages 9-12 this will be of great interest to all classroom teachers teaching literacy as well as
