Now fifty years later with the Cold War well and truly over the people who hid the treasure are trying to recover it leaving behind them a trail of murders. This story is pieced together by Michael Kyle a merchant sailor whose best friend a historian had stumbled on the story only to die in mysterious circumstances. The more Kyle endeavours to find the truth behind his friend's death the more his own life is threatened until the final showdown at sea where in a dramatic salt and spray action sequence on board the treasure ship Kyle comes face to face with the other people who are seeking the treasure including the killer *The British National Bibliography* Arthur James Wells, 2003 **Struggling with the Communist Legacy** Patricia Vawter Klein, Arthur Wesley Helweg, Barbara P. McCrea, 1998 Ten established scholars of political science international relations history civilization and the economics of eastern Europe contribute toward understanding of the radical shifts in Eastern Europe **The Stollenberg Legacy** Brian Callison, 2001 From the acclaimed author of *A Flock of Ships Ferry Down* and the Trapp series comes a spellbinding new tale of maritime adventure and a fifty year old mystery. The myth of the Stollenberg convoy is one of the most enduring of World War II. As the Third Reich crumbled orders were sent out from Berlin to hide the countless art treasures looted from all over Europe. According to the myth the most precious item was entrusted to an SS colonel Manfred Stollenberg but it never reached its destination. Ever since rumours of the treasure's whereabouts have fascinated military historians and treasure hunters alike. Merchant sailor Michael Kyle first hears the story from flatmate Dr David McDonald a historian obsessed with the case. When Kyle returns from sea only for McDonald to die in an unusual accident he refuses to believe the official explanation. The more he looks into the recent activities of his old friend the more convinced he becomes that there is a connection with the Stollenberg myth and that his own life is in grave danger.
