## Stop Rommel:

*End of the Beginning* Phil Craig, Tim Clayton, 2012-10-01 1942 British troops are stranded in the desert struggling to hold back Rommel's Afrika Corps Hitler's armies have reached Moscow and there are murmurs of discontent at home as new doubts emerge about Churchill's leadership Elsewhere in Europe there is chilling evidence of the mounting persecution of the Jews stretching from Poland to the Channel Islands For many it seems there is little hope As in their acclaimed bestseller *FINEST HOUR* the authors use the personal testimony of ordinary people In *END OF THE BEGINNING* we meet again some of the people first encountered in *FINEST HOUR* and get to know many more Troops fighting for Montgomery in the desert RAF pilots bombing German towns a young Jewish woman deported to Auschwitz from Guernsey the reality of the Home Front these stories and many more paint a vivid picture of human endeavour in time of war And sixty years on from the Battle of Alamein *END OF THE BEGINNING* tells the controversial truth about one of the most famous battles in history the importance of its lesser known predecessor and the months of bitter fighting between the Allied generals With precision and compassion Phil Craig and Tim Clayton again debunk the myths and explore the realities of a crucial year in the history of Britain

*The End of the Beginning* Malcolm Archibald, 2025-01-09 The North African desert 1942 Recovering from his injuries Lieutenant Douglas Tulloch returns to the Lothian Rifles just as the tide of war shifts With Rommel's forces pressing deep into Allied territory the British are pushed to their limits and the Lothians find themselves outgunned and struggling to hold the line The morale of Tulloch's unit is crumbling and he must rebuild trust among his men while navigating a war that seems increasingly hopeless As the men prepare for a defining battle at El Alamein personal encounters with the enemy force Tulloch to question not only his adversaries but also the cost of his duty A gripping story of courage leadership and the brutal reality of warfare *THE END OF THE BEGINNING* is the third book in Malcolm Archibald's series of historical war novels

Erwin J. E. Rommel Earle Rice, 2009 Rommel's Last Victory Martin Blumenson, 2021-11-21 This book first published in 1968 examines the disastrous defeat suffered by inexperienced American troops newly landed in North Africa at the hands of Rommel The news of Kasserine shocked the United States militarily and politically and led to swift changes in equipment and tactics This book traces the battle through to its aftermath in a remarkable piece of battlefield investigation Manchester

Evening News **Montgomery vs Rommel at El Agheila 1942** Zita Ballinger Fletcher, 2025-04-28 Explores the complex rivalry between Generals Montgomery and Rommel in North Africa highlighting their contrasting strategies and personal traits In 1942 following a decisive British victory at the Second Battle of El Alamein the sands of fortune were shifting against German forces in the Sahara Field Marshal Erwin Rommel's inexorable advance toward Cairo was thwarted Church bells pealed in embattled England for the first time since the start of World War II as Winston Churchill hailed the end of the beginning But the elusive Desert Fox was a master of mobility Even as the sun set on his desert glory he was far from finished British Gen Bernard Montgomery victor of El Alamein was at then the highest point of his career He had overcome

many adversities to meet his moment of military destiny galvanized a flagging army and smashed the proud German troops with a blow he would be proud of for the rest of his life But Monty found his own fortunes changing as he pursued the Desert Fox Hamstrung by a distended supply line Monty was now vulnerable to attack by the vengeful Rommel The British troops flush with victory grew fearful as they approached an eerie dune wasteland in Libya known as El Agheila One setback would be enough to cast their laurels into the dust and shatter their faith in their rising commander Both generals faced each other with uncertainty as another fight loomed on the horizon One false move could have far reaching political consequences The outcome of the battle would answer a critical question who would hold the gateway to Egypt This compelling book tells the story of Monty and Rommel battling in North Africa as never before describing them as two very different commanders and shedding light on the dissimilar characteristics that made them formidable fighters It argues that Monty was more aggressive than many historians give him credit for and that Rommel had more of a conscience than is often attributed to him examining the origins of his disloyalty to Hitler This riveting read draws attention to a little known battle with great implications on the course of World War II history also describing the powerful external forces of politics media coverage and the desert itself that swirled around two famous generals forced to duel on uneven footing Exit Rommel Bruce Watson,1999-08-30 After a detailed discussion of the Alamein battles July through November 1942 and Rommel's retreat to Tunisia ending in January 1943 Watson recounts the British and American invasion of North Africa and the confused web of Axis command that spawned the debacle at Medenine BOOK JACKET *Yigal Allon, Native Son* Anita Shapira,2015-06-30 Born in 1918 into the fabric of Arab Jewish frontier life at the foot of Mt Tabor Yigal Allon rose to become one of the founding figures of the state of Israel and an architect of its politics In 1945 Allon became commander of the Palmah an elite unit of the Haganah the semilegal army of the Jewish community during the struggle against the British for independence In the 1947-49 War of Independence against local and invading Arab armies he led the decisive battles that largely determined the borders of Israel Paradoxically his close lifelong relations with Arab neighbors did not prevent him from being a chief agent of their sizable displacement A bestseller in Israel and available now translated into English Yigal Allon Native Son is the only biography of this charismatic leader The book focuses on Allon's life up to 1950 his clash with founding father David Ben Gurion the end of his military career and the watershed in culture and character between the Jewish Yishuv and Israeli statehood As a statesman in his more mature years he formulated what became known as the Allon Plan which remains a viable blueprint for an eventual two state partition between Israel and the Palestinians Yet in the end the promise Allon showed as a brilliant young military commander remained unfulfilled The great dream of the Palmah generation was largely lost and Allon's name became associated with the failed policies of the past The story of Allon's life frames the history of Israel its relationship with its Arab neighbors its culture and spirit This important biography touches on matters Israel's borders refugees military might that remain very much alive today *Churchill & His Generals* Raymond Callahan,2007 On

the eve of World War II the British army was more an international police force than a combat ready fighting force This book examines its transformation in a look at Great Britain's top commanders in the field     **The French Foreign Legion** Erwan Bergot,1975     **Schoonvader en schoonzoon** C.A. Görner,1872     **Hitler's Japanese Confidant** Carl Boyd,1993 In 1940 the US Army Signal Intelligence Service broke the Japanese diplomatic code In 1975 Oshima Hiroshi Japan's ambassador to Berlin during World War II died never knowing that the hundreds of messages he transmitted to Tokyo had been fully decoded by the Americans and whisked off to Washington providing a major source of information for the Allies on Nazi activities     Generals at War Sir Francis Wilfred De Guingand,1964     The Battle of Alamein John Bierman,Colin Smith,2002 The picture is large in scope juxtaposing the designs and delusions of grand strategy against the courage chaos and confusion of individuals in combat At Alamein Nazi Germany's hitherto unbroken succession of land victories was finally reversed and the mightiest war machine the world had ever seen suffered its first major defeat This riveting account is military history at its absolute best **BOOK JACKET**     Alamein John Bierman,Colin Smith,2002 The Battle of Alamein was one of the greatest set piece battles in World War II and the victory for the allied troops was the turning point in the fortunes of war Within a year of the battle Mussolini has been toppled and the Anglo American forces had established a firm presence in Italy     **Monty** Nigel Hamilton,1983 *Leven en werk van de Britse veldheer Bernard Law Montgomery of Alamein* Viscount 1887 1975     **Clash of Eagles** Leo Rutman,1990 Hitler has conquered Europe Now his armies have crossed the Atlantic and swooped down on the greatest prize of all America     Together We Stand James Holland,2005 When the Axis forces were finally driven from North Africa in May 1943 over 250 000 were taken prisoner as many as had surrendered to the Russians at Stalingrad It was a major victory and a crucial stepping stone to the future invasion of Italy and France Yet just a year before the Allies had been facing one disaster after another In North Africa the Eighth Army's terrible defeat at Gazala represented Britain's nadir Slowly but surely however the Allies began to turn the tide This crucial period was a time of learning for both America and Britain and by the end of the Tunisian campaign they had finally gained material but also certain tactical advantages over Germany particularly in the air war As this book shows the development of a tactical air force principles that are still used to this day were founded over the skies of North Africa And yet this is also a book about the men and women who found themselves caught up in this struggle people drawn from all parts of the globe and brought together to make up these polyglot Allied forces British and American Nepalese and Punjabi South African and Australian Maori and Zulu and from all ranks and all services **BOOK JACKET**     *The Junior Review ...* ,1942     Boeing Magazine ,1956
