*Stop the Insanity* Susan Powter, 2010-06-01 You've seen Susan Powter on her phenomenally successful *Stop the Insanity* infomercial on the Home show and on *The Susan Powter Show* bringing her message of health, hope and wellness to millions. Now in this runaway bestseller she gives women everywhere the step by step motivation to take control of their lives. What is insanity? A multimillion dollar diet industry that fails to help women lose weight permanently. A fitness industry that excludes the unfit. Women hating the way they look and feel. After her divorce Susan Powter fell into a fat coma that left her fat, unfit and depressed. At more than 240 pounds she courageously turned to the experts, the diet and fitness industries for help. But she found as millions of others have that starvation and deprivation don't work and that the diet and fitness industries work against women, setting them up for failure, ruining their health, taking their money and giving them temporary short-term answers. Then on her own Susan Powter discovered how to eat, breathe and move to lose weight permanently and regain her health, strength and sanity.
