Stonehenge Decoded:

Stonehenge Decoded Gerald S. Hawkins,1987 Presents evidence to verify the belief that Stonehenge was used as an astronomical observatory centuries ago **Stonehenge Decoded** Gerald Hawkins,1961 **Scientific Proof that God Exists** Simon Richard Lee,2019-01-11 This book is an attempt at a radically different approach to the subject of its title summarising the subject of Scientific Proof that God Exists from an unusual viewpoint with plenty of very surprising material It has been largely superseded by my complete rewrite **Now is the Dawning of the Time of the End** **Now is the Dawning of the Time of the End** Simon Richard Lee,2019-02-06 This book starts off in an astonishing way by developing a completely new scientific View of Faith which almost immediately actually yields in full the BASIS OF THE SECRET OF LIFE The rest of this science is radically different to anything known to date for it attempts to always be THE TRUTH AND NOTHING ELSE Parts Two and Three of the book apply the above Science of Faith to a very complete largely radically new interpretation of the only two truly prophetic books i the Christian bible Revelation and Daniel **The Tender Years** Queenie Tarquin Saunders aka Simon Richard Lee,2019-05-08 The Tender Years is my autobiography a true and honest account of my life from birth to the present day It takes in what for many are taboo subjects childhood sexual abuse self harm in various measures and psychiatric care today as we leave the 20th Century My own psychiatric care takes in the hub of the System the receiving end of in patient and out patient or client services which is still much in need of improvement I try to describe the many mistakes that may be made in this hit and miss side of medicine The book embraces a host of emotional feelings captured in a format that adults should find inspirational to read One of the key reasons for writing the book is that it hints of the physical as well as the emotional scars Hopefully my later years will successively become less tender from these In offering a light at the end of the tunnel if QT Saunders got through a tough life and is still standing anyone can and against all the odds Manifesto : Abolish All Money! === SATAN! Simon Richard 'Pilchard' Lee, *Decoding Astronomy in Art and Architecture* Marion Dolan,2021-09-17 For centuries our ancestors carefully observed the movements of the heavens and wove that astronomical knowledge into their city planning architecture mythology paintings sculpture and poetry This book uncovers the hidden messages and advanced science encoded within these sacred spaces showing how the rhythmic motions of the night sky played a central role across many different cultures Our astronomical tour transports readers through time and space from prehistoric megaliths to Renaissance paintings Greco Roman temples to Inca architecture Along the way you will investigate unexpected findings at Lascaux Delphi Petra Angkor Wat Borobudur and many more archaeological sites both famous and little known Through these vivid examples you will come to appreciate the masterful ways that astronomical knowledge was incorporated into each society s religion and mythology then translated into their physical surroundings The latest archaeoastronomical studies and discoveries are
