Development and Application of Level 1 Probabilistic Safety Assessment for Nuclear Power Plants

IAEA,2024-03-15 The objective of this Safety Guide is to provide recommendations for meeting the requirements of GSR Part 4 Rev 1 in the development and application of Level 1 Probabilistic Safety Assessments PSAs for nuclear power plants NPPs The recommendations provided in this publication promoting technical consistency among Level 1 PSA studies in order to provide reliable support for applications of PSAs and risk informed decision making particularly to support the design of NPPs and decision making during plant commissioning and operation The revised Safety Guide s scope encompasses the main methodological aspects of PSA and in particular has been updated to reflect developments in specific areas such as passive systems reliability computer based systems reliability combinations of hazards human reliability analysis and to expand the scope of PSA to include site level risk considerations such as multi unit and spent fuel pool PSA **The**

Armenian Genocide Alan Whitehorn,2015-05-26 With its analytical introductory essays more than 140 individual entries a historical timeline and primary documents this book provides an essential reference volume on the Armenian Genocide The Armenian Genocide has often been considered a template for subsequent genocides and is one of the first genocides of the 20th century As such it holds crucial historical significance and it is critically important that today s students understand this case study of inhumanity This book provides a much needed long overdue reference volume on the Armenian Genocide It begins with seven introductory analytical essays that provide a broad overview of the Armenian Genocide and then presents individual entries a historical timeline and a selection of documents This essential reference work covers all aspects of the Armenian Genocide including the causes phases and consequences It explores political and historical perspectives as well as the cultural aspects The carefully selected collection of perspective essays will inspire critical thinking and provide readers with insight into some of the most controversial and significant issues of the Armenian Genocide Similarly the primary source documents are prefaced by thoughtful introductions that will provide the necessary context to help students understand the significance of the material

Concise History of the Language Sciences E.F.K. Koerner,R.E. Asher,2014-06-28 This book presents in a single volume a comprehensive history of the language sciences from ancient times through to the twentieth century While there has been a concentration on those traditions that have the greatest international relevance a particular effort has been made to go beyond traditional Eurocentric accounts and to cover a broad geographical spread For the twentieth century a section has been devoted to the various trends schools and theoretical framework developed in Europe North America and Australasia over the past seventy years There has also been a concentration on those approaches in linguistic theory which can be expected to have some direct relevance to work being done at the beginning of the twenty first century or those of which a knowledge is needed for the full understanding of the history of linguistic sciences through the

last half of this century The last section of this book reviews the applications of some of these findings Based on the foundation provided by the award winning Encyclopedia of Language and Linguistics this volume provides an excellent focal point of reference for anyone interested in the history of the language sciences
