Strategies For Successful Writing:

Strategies for Successful Writing James A. Reinking, Robert Von Der Osten, 2006-12 Now in its eighth edition the authors of *Strategies for Successful Writing* a Rhetoric Research Guide Reader and Handbook have strived to achieve the same steadfast goals that have motivated them from the beginning create a rhetorically organized writing guide that combines four books into one convenient and flexible teaching tool while offering students an exceptional value By having at their disposal a comprehensive textbook that offers ample material for a full year composition course instructors teaching a one term course can make various selections from Chapters 1-17 from whatever types of specialized writing suits the needs of their students and from the appropriate essays in the reader As well because the authors believe strongly that an effective composition textbook should address students directly they've aimed for a conversational yet clear style that invites students into the book lessens their apprehensions about writing and provides a model for their own prose This style complements the authors' strong student based approach to writing and together they help create a text that genuinely meets student needs
