Restructuring Japanese Business for Growth Raj Aggarwal, 1999-12-31 Restructuring Japanese Business for Growth consists of eighteen previously unpublished invited chapters by experts on Japanese business. It will attract both commercial and academic interest. Japanese business can be expected to continue to be of great importance in global and Asian economics, especially as the Japanese economy is the dominant economy in Asia, being larger than all other Asian economies combined. Policymakers and business people interested in understanding Japanese financial markets will find this book useful. In addition, this book should be a valuable resource for undergraduate, graduate, and executive development courses in international business, global finance, and Japanese business.
