Making Sense of the College Curriculum Robert Zemsky,Gregory R Wegner,Ann J. Duffield,2018-06-08 Readers of Making Sense of the College Curriculum expecting a traditional academic publication full of numeric and related data will likely be disappointed with this volume which is based on stories rather than numbers The contributors include over 185 faculty members from eleven colleges and universities representing all sectors of higher education who share personal humorous powerful and poignant stories about their experiences in a life that is more a calling than a profession Collectively these accounts help to answer the question of why developing a coherent undergraduate curriculum is so vexing to colleges and universities Their stories also belie the public s and policymakers belief that faculty members care more about their scholarship and research than their students and work far less than most people **Writing That Makes Sense, 2nd Edition** David S. Hogsette,2019-11-05 The second edition of Writing That Makes Sense takes students through the fundamentals of the writing process and explores the basic steps of critical thinking Drawing upon over twenty years of experience teaching college composition and professional writing David S Hogsette combines relevant writing pedagogy and

practical assignments with the basics of critical thinking to provide students with step by step guides for successful academic writing in a variety of rhetorical modes New in the second edition Expanded discussion of how to write effective thesis statements for informative persuasive evaluative and synthesis essays including helpful thesis statement templates Extensive templates introducing students to conventions of academic discourse including integrating outside sources interacting with other writers ideas and dialoguing with multiple perspectives Examples of academic writing from different disciplines illustrating essay titles abstracts thesis statements introductions conclusions and voice Expanded discussion of voice in academic writing including an exploration of active and passive voice constructions in different disciplines and tips on how to edit for clarity A new chapter on writing in the disciplines Updated sample student papers New readings with examples of opposing views and multiple perspectives *Transactions of the Philological Society* Philological Society (Great Britain),1894 List of members included in most vols The Girl's Own Annual ,1899 **The Apocalypse Explained, According to the Spiritual Sense** Emanuel Swedenborg,1871 *The Apocalypse Explained According to the Spiritual Sense in which the Arcana There Predicted But Heretofore Concealed are Revealed* Emanuel Swedenborg,1889 **The International Cyclopedia** Harry Thurston Peck,1898
