Street To Stardom:

My Side of the Street Jason DeSena Trennert,2015-05-26 On a sticky summer morning at the end of the Eighties 19 year old Jason DeSena Trennert a bright unconnected Georgetown undergrad with big dreams and an even bigger power tie set out for Wall Street Mustering the perceived panache of the bigwigs he burst through the doors of America s oldest financial firms He was roundly rejected And entirely undeterred Trennert accepted a position as a cold caller and charged ahead with the blind zeal of inexperience finding in the process a genuine affinity for the customs and history of his work Clinging to his dream from humble beginnings in financial sector Siberia Morgan Stanley s Brooklyn outpost and enduring the villainization of a respectable profession across two boom bust cycles he opened his own boutique company now one of the world s leading research firms Part memoir part love letter to an institution popularly viewed as a necessary or as just plain evil My Side of the Street delivers the long overdue defense of the investment banking industry critiqued by Michael Lewis and others illuminating the ethical and decent majority who take the subway worry about mortgages and keep the entire enterprise on its feet Introducing the general reader to captains of finance famous on The Street but invisible to outsiders Trennert lays on display the absurdity and unbridled joy of big business a comic tale of unlikely success in America s most notorious industry

Beijing Review ,2012-10 **Red Men** John Williams,2011-04-01 In Red Men a unique and exhaustively researched history of Liverpool Football Club John Williams explores the origins and divisive politics of football in the city of Liverpool and profiles the key men behind the emergence of the club and its early successes The first great

Liverpool manager Tom Watson piloted the club to its first league championships in 1901 and 1906 before taking the club to the FA Cup final in 1914 Watson and the key members of those early Liverpool teams are analysed in depth as is the role of the club and its fans in the city as Merseyside balanced self improvement and cosmopolitanism with almost unimaginable problems of poverty Liverpool secured consecutive league titles in 1922 and 1923 with the incomparable goalkeeper Elisha Scott as its totemic star and the darling of the Kop In the 20s Liverpool was also the first British club to internationalise its playing staff The club s next league title came in 1947 but in the bleak 50s the Liverpool board ruled with an iron fist and controlled the purse strings until Bill Shankly arrived and won that elusive first FA Cup in 1965 The recent tragedies that have shaped the club s contemporary identity are also covered here as are the new Continental influences at Liverpool and of course the glory of Istanbul in 2005 Red Men is the definitive history of a remarkable football club from its formation in 1892 to the present day told in the wider context of the social and cultural development of the city of Liverpool and its people
