**Lives** Josef Škvorecký,2008 The acclaimed author of the Governor General s Award winning *The Engineer of Human Souls* returns with his first new novel in nearly a decade Fifty years after the publication of *The Cowards* Josef Skvorecky s seminal first novel he returns to the fertile territory of his earlier fictions his native Czech Republic and to his old narrator and alter ego Danny Smiricky *Ordinary Live* masterfully translated by Skvorecky s long time collaborator Paul Wilson takes as its subject two class reunions the first in 1963 twenty years after the class graduated and the second thirty years on in 1993 The pulse of the novel however is the torrent of ungovernable thoughts that plague Danny Over the course of these two reunions as loyalties are tested and secrets are revealed the reader is taken on a journey back through Skvorecky s well loved oeuvre As the puzzle pieces of Danny s history and the history of his classmates fall into place so too does a subtle history of the major ideologies of the 20th century from Nazism to Communism to capitalism As in his very best work Josef Skvorecky explores the defining moments of the modern era through the ordinary lives of his beloved characters Beautifully written slim but decidedly powerful *Ordinary Lives* is a brilliant novel and an apt culmination of a literary master s extraordinary career
