Streets Of Desire:

A Shout in the Street ,1991-01-01 A remarkable meditation on the topography of the modern city A Shout in the Street offers a close and sensitive examination of four urban landscapes London Paris Leningrad and New York Peter Jukes pursues the essence of these international metropolises in an assemblage comprised of his own evocative essays excerpts from modern masters of the essay form such as Benjamin Barthes and Sontag and period photographs A Shout in the Street with a keenly cinematic eye searches out not just the glittering facades but the vitality of thoroughfares and neighborhoods

Everyday Streets Agustina Martire ,Birgit Hausleitner,Jane Clossick,2023-05-25 Everyday streets are both the most used and most undervalued of cities public spaces They are places of social aggregation bringing together those belonging to different classes genders ages ethnicities and nationalities They comprise not just the familiar outdoor spaces that we use to move and interact but also urban blocks interiors depths and hinterlands which are integral to their nature and contribute to their vitality Everyday streets are physically and socially shaped by the lives of the people and things that inhabit them through a reciprocal dance with multiple overlapping temporalities The primary focus of this book is an inclusive approach to understanding and designing everyday streets It offers an analysis of many aspects of everyday streets from cities around the globe From the regular rectilinear urban blocks of Montreal to the military regulated narrow alleyways of Naples and from the resilient market streets of London to the crammed commercial streets of Chennai the streets in this book were all conceived with a certain level of control Everyday Streets is a palimpsest of methods perspectives and recommendations that together provide a solid understanding of everyday streets their degree of inclusiveness and to what extent they could be more inclusive

Streetfight Janette Sadik-Khan,Seth Solomonow,2016-03-08 Like a modern day Jane Jacobs Janette Sadik Khan transformed New York City s streets to make room for pedestrians cyclists buses and green spaces Describing the battles she fought to enact change Streetfight imparts wisdom and practical advice that other cities can follow to make their own streets safer and more vibrant As New York City s transportation commissioner Janette Sadik Khan managed the seemingly impossible and transformed the streets of one of the world s greatest toughest cities into dynamic spaces safe for pedestrians and cyclists Her approach was dramatic and effective Simply painting a part of the street to make it into a plaza or bus lane not only made the street safer but it also lessened congestion and increased foot traffic which improved the bottom line of businesses Real life experience confirmed that if you know how to read the street you can make it function better by not totally reconstructing it but by reallocating the space that s already there Breaking the street into its component parts Streetfight demonstrates with step by step visuals how to rewrite the underlying source code of a street with pointers on how to add protected bike paths improve crosswalk space and provide visual cues to reduce speeding Achieving such a radical overhaul wasn t easy and Streetfight pulls back the curtain on the battles Sadik Khan won to make her approach work She includes examples of how this new way to read the streets has already made its way around the world

from pocket parks in Mexico City and Los Angeles to more pedestrian friendly streets in Auckland and Buenos Aires and innovative bike lane designs and plazas in Austin Indianapolis and San Francisco Many are inspired by the changes taking place in New York City and are based on the same techniques Streetfight deconstructs reassembles and reinvents the street inviting readers to see it in ways they never imagined **Speaking for Our Lives** Robert B Ridinger,2014-02-25 Read the words they risked everything for This landmark volume collects more than a hundred years of the most important public rhetoric on gay and lesbian subjects In the days when homosexuality was mentioned only in whispers a few brave souls stood up to speak for the rights of sexual minorities In Speaking for Our Lives Historic Speeches and Rhetoric for Gay and Lesbian Rights 1892 2000 their stirring words have finally been gathered together along with the political manifestoes broadsheets and performance pieces of the gay and lesbian liberation movement Speaking for Our Lives comprises speeches and manifestoes prompted by events ranging from demonstrations to funerals Scholars and researchers will appreciate the brief commentary introducing each piece which discusses the author the occasion and the political and social contexts in which it first appeared You ll find the words of a broad variety of individuals and groups including the Victorian humanist and crusader Robert Ingersoll key groups such as the Mattachine Society Homosexual Law Reform Society Gay Activists Alliance and International Gay Association activists and educators Robin Morgan Joseph Bean and Dr Franklin Kameny artists and journalists of the movement such as John Eric Larsen Joan Nestle Barbara Grier and Jim Kepner elected officials including Bella Abzug Ed Koch Eleanor Holmes Norton Gerry Studds Tammy Baldwin and Bill Clinton Many of these documents have long been out of print Speaking for Our Lives makes these noteworthy texts readily available to the broader public they deserve This book preserves an essential part of twentieth century history But For The Grace of God Stan
