

The background is a dark, atmospheric scene. In the foreground, there are dark, jagged mountain peaks. The sky is filled with vibrant blue lightning bolts and several glowing, ethereal spheres of light. On the right side, a small, green, winged creature is visible, emitting a bright pinkish-red light. The overall mood is mysterious and magical.

*A Special Illumination* Rollan McCleary, 2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been

treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion     **Rheingold, a**
