The Battle For Jerusalem June 5 7 1967:

The Battle for Jerusalem Abraham Rabinovich, 1972 **The Battle for Jerusalem** Avrāhām Rabînovîč, 1972 **A History of Israel** Howard M. Sachar, 2013-07-31 First published in 1976 Howard M Sachar's A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world **War on Sacred Grounds** Ron E. Hassner, 2010-12-15 Sacred sites offer believers the possibility of communing with the divine and achieving deeper insight into their faith Yet their spiritual and cultural importance can lead to competition as religious groups seek to exclude rivals from practicing potentially sacrilegious rituals in the hallowed space and wish to assert their own claims Holy places thus create the potential for military theological or political clashes not only between competing religious groups but also between religious groups and secular actors In War on Sacred Grounds Ron E Hassner investigates the causes and properties of conflicts over sites that are both venerated and contested he also proposes potential means for managing these disputes Hassner illustrates a complex and poorly understood political dilemma with accounts of the failures to reach settlement at Temple Mount Haram el Sharif leading to the clashes of 2000 and the competing claims of Hindus and Muslims at Ayodhya which resulted in the destruction of the mosque there in 1992 He also addresses more successful compromises in Jerusalem in 1967 and Mecca in 1979 Sacred sites he contends are particularly prone to conflict because they provide valuable resources for both religious and political actors yet cannot be divided The management of conflicts over sacred sites requires cooperation Hassner suggests between political leaders interested in promoting conflict resolution and religious leaders who can shape the meaning and value that sacred places hold for believers Because a reconfiguration of sacred space requires a confluence of political will religious authority and a window of opportunity it is relatively rare Drawing on the study of religion and the study of politics in equal measure Hassner's account offers insight into the often violent dynamics that come into play at the places where religion and politics collide **Among Lions** J. Robert Moskin, 1983 Provides an authoritative vivid account of the battle for Jerusalem during the 1967 war between Israel and Jordan **Celebrate!** Lesli Koppelman Ross, 2000-10-01 This innovative how to guide and reference book on the Jewish holidays provides a well rounded foundation for both knowledge and action Unlike many books of its kind Celebrate The Complete Jewish Holidays Handbook is

nondenominational and comprehensive in approach The author includes the historical development religious importance and personal significance of each Jewish holy day in a way that is useful to both beginners and those well versed in Jewish practice The richness and depth of Jewish tradition with a full range of information on why and how to celebrate is presented in a lively warm and user friendly manner [Historical Dictionary of Israel](#) Bernard Reich, David H.
