

# The North African Campaign 1939-45

The Battle of El Alamein: The first British victory.

# The Battle For North Africa

**Colin F. Baxter**

## **The Battle For North Africa:**

**The Battle for North Africa** John Strawson,2023-04-20 The moment Britain fought back It was in North Africa that the tide turned that Britain began its long fightback against Nazi dominance The distinguished military historian Major General John Strawson s vivid unputdownable book describes how the balance of power in North Africa see sawed between the Italians the British and the Germans through the years 1940 to 1943 and how ultimate victory was won by the Allies In following the nail biting course of battles during this three year desert campaign Strawson brings together the strategic considerations the changing tactics and the searing impressions of those who did the actual fighting His exciting narrative is brought to life with numerous eye witness accounts from German officers to Gurkhas and British tank crews and Americans Essential and unforgettable reading for anyone interested in either the Second World War or its epic battle in the desert this is perfect for fans of Ben Macintyre s SAS Rogue Heroes

**The Battle for North Africa** John Strawson,1969

**The Battle for North Africa** Glyn Harper,2017-06-06 A well researched and highly readable account of one of World War II s most important turning point battles Jerry D Morelock Senior Editor at HistoryNet com In the early years of World War II Germany shocked the world with a devastating blitzkrieg rapidly conquered most of Europe and pushed into North Africa As the Allies scrambled to counter the Axis armies the British Eighth Army confronted the experienced Afrika Corps led by German field marshal Erwin Rommel in three battles at El Alamein In the first battle the Eighth Army narrowly halted the advance of the Germans during the summer of 1942 However the stalemate left Nazi troops within striking distance of the Suez Canal which would provide a critical tactical advantage to the controlling force War historian Glyn Harper dives into the story vividly narrating the events strategies and personalities surrounding the battles and paying particular attention to the Second Battle of El Alamein a crucial turning point in the war that would be described by Winston Churchill as the end of the beginning Moving beyond a simple narrative of the conflict The Battle for North Africa tackles critical themes such as the problems of coalition warfare the use of military intelligence the role of celebrity generals and the importance of an all arms approach to modern warfare

**The Battle for North Africa, 1940-43** William Godfrey Fothergill Jackson (Sir),1975

*The Battle for North Africa, 1940-43* William Godfrey Fothergill Jackson,1975 The history of the North African Campaign is the story of an army forging itself into a superb fighting force from the debris of defeat and discouragement

**The North African Campaign of World War II** Charles River Charles River Editors,2017-09-12 Includes pictures Includes contemporary accounts of the fighting Includes online resources and a bibliography for further reading It may almost be said Before Alamein we never had a victory After Alamein we never had a defeat Winston Churchill The fighting in North Africa during World War II is commonly overlooked aside from the famous battle at El Alamein that pitted the British under General Bernard Montgomery against the legendary Desert Fox Erwin Rommel But while the Second Battle of El Alamein would be the pivotal action in North Africa the conflict in North Africa began all the way back in the summer of 1940 when Italian

dictator Benito Mussolini declared Italy's entrance into the war. From his perspective the fact that the British and French had their hands full with the Germans created an opportunity for Italy to enlarge its colonial holdings in Africa by seizing portions of the British Empire. However British troops in the colony of Egypt responded to Italy's declaration of war by driving through the Egyptian-Ethiopian border and attacking Italian troops stationed in the Italian colony of Ethiopia. By September 13, 1940 Italian commanders in Ethiopia were finally ready to put Mussolini's plan into action and attack British colonial holdings but British troops had already attacked a series of Italian frontier posts and had inflicted 3,500 casualties among Italy's North African troops. Although British maneuvering in North Africa began successfully against the Italians the British forces suffered a series of defeats over the next two years due to several problems the British army faced as a result of inadequate preparation and weaponry. For example when the war began junior officers were unprepared for the kind of cooperation between units that was necessary in the battles of North Africa. At the same time while British tanks were capable of opposing Italian tanks they were vastly inferior to German models. Dealing with the Italians was one thing but the British faced an entirely different monster in North Africa when Erwin Rommel a German general who had gained much fame for his role in the invasions of Poland and France was sent to North Africa in February 1941. Rommel's directives from the German headquarters were to maneuver in a way that would allow him to hide the fact that his ultimate goal was the capture of Cairo and the Suez Canal. The ultimate plan was that Rommel would not reveal the Germans' true intentions in North Africa until after the Germans had made headway in their invasion of the Soviet Union. The Second Battle of El Alamein was a turning point in the campaign. While the scale of the battle paled in comparison to the battles of the Eastern Front where the majority of German troops were concentrated it still marked an important victory in World War II especially from the British perspective. The British who had suffered through three years of war in which they seemed to teeter on the brink of defeat were able to hang their hats on the victory reviving the nation's morale and reaffirming its military might. Over the next few weeks the Allies made steady progress and forced Rommel to conduct a fighting retreat to safety until his army linked up with another Axis army in Tunisia but the fighting at the end of 1942 inevitably compelled all Axis forces to quit the theater the first time since the beginning of the war that Africa was safe for the Allies. The North African Campaign of World War II: The History and Legacy of the Decisive Allied Victory in North Africa examines one of the most important campaigns of the war. Along with pictures depicting important people, places, and events you will learn about the North African campaign like never before. Desert War in North Africa Stephen W. Sears, 2006. A compelling study of the fierce Second World War campaign illustrates why the strategy of the Axis powers failed in the struggle for the North African coast during World War II and profiles the important roles of such military leaders as Rommel and Montgomery. Reprint. **The Desert War** Alan Moorehead, 2013-04-01. The seminal account of the battle between Montgomery's Eighth Army and Rommel's Afrika Corps amidst the endless harsh wastes of the Western Desert. In 1940 Alan Moorehead was sent to cover the North Africa campaign.

by the Daily Express and he followed its dramatic course all the way to 1943 The three books he subsequently wrote about the Desert War later collected as his African Trilogy were swiftly acclaimed as a classic account of the tussle between Montgomery's Eighth Army and Rommel's Afrika Corps under the beating sun of the Egyptian Sahara's Western Desert Moorehead was responsible for the celebrated insight that tank battles in the desert are like battles at sea the lumbering tanks like ships lost in a vast ocean of sand The New Statesman could not have put it better when it described his achievement with this riveting book There is something of genius in the breadth and penetration of his vision which encompasses the whole panorama of war and then narrows it down to the particular the soldier stubbing out his cigarette before going into action the expression on a tank commander's face as he is hit The story of the African campaigns will go down in history as one of the great epics of mankind largely thanks to Mr Moorehead's account *Desert War* Alan Moorehead, 2001 North Africa was the site of some of the most volatile battles of World War II For journalist Alan Moorehead it was war in its purest form a knight's tournament in empty space In *Desert War* which includes the complete texts of The Mediterranean Front A Year of Battle and The End of Africa Moorehead writes about what he saw He recounts with dazzling prose and intimate detail the heroes and legends the soldiers and prisoners the military strategies the strengths and weaknesses of those involved and portraits of generals Rommel Montgomery and Patton Woven throughout are observations on the landscape the Mediterranean shores and the vast desert which inevitably played a role in shaping the battles For Moorehead desert warfare resembled war at sea Men moved by compass No position was static Each truck or tank was as individual as a destroyer Written by a man who lived and breathed the conflict in North Africa during World War II *Desert War* is a eyewitness account and an inspired piece of writing by a master of his craft **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved *The War in North Africa, 1940-1943* Colin F. Baxter, 1996-03-30 Few of the major campaigns of World War II aroused as much controversy as the War in North Africa 1940-1943 Figures such as Rommel Montgomery and Eisenhower would become world famous because of the fighting in North Africa This book opens with seven historiographical essays that evaluate and critically assess the major contributions to the literature on the War in North Africa It then includes an alphabetically arranged bibliography of the 504 entries cited in the essays The material is easily accessible with cross references between the text and the bibliography and a full index The volume includes chapters on the Desert War 1940-42 the Axis Powers in North Africa Montgomery Alam Halfa and El Alamein TORCH the Landings in French North Africa and the Tunisian Campaign Full attention is given to questions and issues historians have raised on such controversies as the Auchinleck Montgomery dispute the debate over Operation TORCH and the Darlan affair Emphasis is on English language works but the most significant Italian German and French works are cited and assessed The book has been written for use in public college university and institutional libraries and to serve general readers and military historians **An Army at Dawn** Rick Atkinson, 2007-05-15 WINNER OF THE PULITZER PRIZE

AND NEW YORK TIMES BESTSELLER In the first volume of his monumental trilogy about the liberation of Europe in World War II Pulitzer Prize winner Rick Atkinson tells the riveting story of the war in North Africa The liberation of Europe and the destruction of the Third Reich is a story of courage and enduring triumph of calamity and miscalculation In this first volume of the Liberation Trilogy Rick Atkinson shows why no modern reader can understand the ultimate victory of the Allied powers without a grasp of the great drama that unfolded in North Africa in 1942 and 1943 That first year of the Allied war was a pivotal point in American history the moment when the United States began to act like a great power Beginning with the daring amphibious invasion in November 1942 An Army at Dawn follows the American and British armies as they fight the French in Morocco and Algeria and then take on the Germans and Italians in Tunisia Battle by battle an inexperienced and sometimes poorly led army gradually becomes a superb fighting force Central to the tale are the extraordinary but fallible commanders who come to dominate the battlefield Eisenhower Patton Bradley Montgomery and Rommel Brilliantly researched rich with new material and vivid insights Atkinson s narrative provides the definitive history of the war in North Africa

**Destination Casablanca** Meredith Hindley,2017-10-10 This rollicking and panoramic history of Casablanca during the Second World War sheds light on the city as a key hub for European and American powers and a place where spies soldiers and political agents exchanged secrets and vied for control In November 1942 as a part of Operation Torch 33 000 American soldiers sailed undetected across the Atlantic and stormed the beaches of French Morocco Seventy four hours later the Americans controlled the country and one of the most valuable wartime ports Casablanca In the years preceding Casablanca had evolved from an exotic travel destination to a key military target after France s surrender to Germany Jewish refugees from Europe poured in hoping to obtain visas and passage to the United States and beyond Nazi agents and collaborators infiltrated the city in search of power and loyalty The resistance was not far behind as shopkeepers celebrities former French Foreign Legionnaires and disgruntled bureaucrats formed a network of Allied spies But once in American hands Casablanca became a crucial logistical hub in the fight against Germany and the site of Roosevelt and Churchill s demand for unconditional surrender Rife with rogue soldiers power grabs and diplomatic intrigue Destination Casablanca is the riveting and untold story of this glamorous city memorialized in the classic film that was rush released in 1942 to capitalize on the drama that was unfolding in North Africa at the heart of World War II

**The GI Offensive in Europe** Peter R. Mansoor,1999 The German Wehrmacht was one of the most capable fighting forces the world has ever known but in the end it was no match for the Allies Some historians contend that the Allies achieved victory through brute force and material superiority But as Peter Mansoor argues all of the material produced by US industry was useless without trained soldiers to operate it a coherent doctrine for its use and leaders who could effectively command the formations into which it was organized

**The Army Communicator** ,1995 **Torch Operation 'Torch' The Invasion of North Africa** Jean Paul Pallud,2019-06-29 **War and Remembrance** Herman Wouk,2010-01-30 A masterpiece of historical fiction and a journey of

extraordinary riches New York Times Book Review War and Remembrance stands as perhaps the great novel of America's Greatest Generation These two classic works capture the tide of world events even as they unfold the compelling tale of a single American family drawn into the very center of the war's maelstrom The multimillion copy bestsellers that capture all the drama romance heroism and tragedy of the Second World War and that constitute Wouk's crowning achievement are available for the first time in trade paperback    *The Desert Warriors* David Jablonski,1972    Boeing Magazine ,1942

**The Desert War** Alan Moorehead,1968    *Chambers's Encyclopaedia* ,1888
