The Canada-Israel Nexus Eric Walberg,2017-11-07

The Canada Israel Nexus is a comparative political history of two settler nations their colonial past their relations with the indigenous peoples on whose territories they created and imposed new states and their close linkages to former and current imperial powers The battle for justice in the Middle East involves treachery terrorism exile apostasy and yes conspiracy It is the stuff of legend of which Canada Israel and their relationship is a crucial part The conflict of interests and rights between the colonizer and the colonized is central to this narrative as is the relationship between Jews and the state in history and how that relationship was transformed by the creation of a Jewish state The history of Israel Palestine is like an accelerated version of Canada s dispossession of native peoples though with differing endgames ethnic cleansing vs forced assimilation Canada is Israel s best friend not just in former Conservative prime minister Harper s words or when a youthful Lester Pearson pushed through the plan for a separate Jewish state leading to Israel s creation and his own Nobel Peace prize but in many little known and unexpected ways On the other hand Canadians have numbered among the few daring questioners of the Holocaust for which they have paid dearly Not least this book examines the central question of the identity of Jews in Canada will they be just that with a primal loyalty to an Israeli homeland or will they become Jewish Canadians even anti Zionist Canadians melting easily into Canadian popular culture itself replete with the influence of Jewish east European Yiddishkeit
