## **The Battle For Truth:**

The Battle for Truth David A. Noebel,2001 This abridged version of Understanding the Times provides Christians with a readable comprehensive treatment of the most popular worldviews of our day worldviews that have a surprisingly powerful presence in American education business politics and the media    The Battle for Truth Glen O. Suiter,2020-05-26 We are engaged in an eternal battle with the enemy of our soul with the outcome being eternity with Christ in heaven or with Satan the god of this world in hell The Christian s spiritual enemy is not in uniform and doesn t meet us on an identifiable battlefield He uses ruthless unconventional tactics such as deceit deflection and disguise The truth God says the devil is a liar and a defeated foe Our sexuality is turned upside down our marriages are broken human life has been devalued evil has been called good and good evil More than a hundred million Americans claim no allegiance to a church synagogue or temple but they are looking for meaning in their lives Where will they turn The Battle for Truth How to Win the Spiritual War with the Enemy of Your Soul exposes the enemy for who he is and equips the reader with the tools to live a life of victory peace and security in Christ God does not give us overcoming life He gives us life as we overcome    *The Life that Really is* Lyman Abbott,1899

The Truth War John F. MacArthur,2008-12-28 Right now truth is under attack and much is at stake Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack especially those bringing the assault right into the church There is no middle ground no safe zone for the uncommitted in this war The battle for truth is raging and this book reveals The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches The postmodern age is the age of no truth an age that has reached a point of deadly fatigue when it comes to facing the truth a generation that no longer believes truth can be known Dr John MacArthur knows better and he is armed with the courage to confront this age with a bold defense of truth His argument is compelling his defense of truth is brilliant and his concern for the church is evident on every page The evangelical church desperately needs this book and it arrives just in time R Albert Mohler Jr President The Southern Baptist Theological Seminary    **Collected Works of Emanuel Swedenborg.
