**The Bennett Playbill** Joan Bennett, Lois Kibbee, 1970      **Hollywood at the Races** Alan Shuback, 2019-11-05 An informative and amusing look at the close relationship between Golden Age Hollywood and West Coast horse racing A fascinating read Christina Rice author of Mean Moody Magnificent Horse racing was so popular and influential between 1930 and 1960 that nearly 150 racing themed films were released including A Day at the Races Thoroughbreds Don't Cry and National Velvet This fast paced gossipy history explores the relationship between the Hollywood film industry the horse racing industry and the extraordinary participation of producers directors and actors in the Sport of Kings Alan Shuback details how all three of Southern California's major racetracks were founded by Hollywood luminaries Hal Roach was cofounder of Santa Anita Park Bing Crosby founded Del Mar with help from Pat O'Brien and Jack and Harry Warner founded Hollywood Park with help from dozens of people in the film community The races also provided a social and sporting outlet for the film community studios encouraged film stars to spend a day at the races especially when a new film was being released The stars presence at the track generated a bevy of attention from eager photographers and movie columnists as well as free publicity for their new films Moreover Louis B Mayer Bing Crosby Fred Astaire Betty Grable and Don Ameche were all major Thoroughbred owners while Mickey Rooney Chico Marx and John Huston were notorious for their unsuccessful forays to the betting windows The more entertaining vignettes pair the names of old time screen stars with ribald tales of racetrack depravity Thoroughbred Daily News      **Spencer Tracy** James Curtis, 2011-10-13 During his lifetime Spencer Tracy was known as Hollywood's actor's actor Critics wrote that what Olivier was to theatre Tracy was to film Over his career he was nominated for nine Academy Awards and won two But there has been no substantial intimate biography of the man until now From his earliest days in stock theatre Tracy was a publicist's trial guarding his private life fiercely Most of the people associated closely with him shunned the limelight notably his wife his children and the great actress Katharine Hepburn with whom he had an affair that lasted over 26 years Although his screen roles often depicted a happy twinkling Irishman Tracy struggled with alcoholism to the end a fact which the studios managed to keep out of the papers With the help of Tracy's daughter Susie and access to previously unseen papers James Curtis has now produced the definitive biography of a tortured complex and immensely talented man The book contains 124 integrated photos many published for the first time      **Gloria Swanson** Tricia Welsch, 2013-07-27 A biography of the Queen of Hollywood and her decades of successes and comebacks in film art fashion and journalism      **The Bennetts** Brian Kellow, 2004-11-26 The Vietnam War's influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the war's effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war

Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War Stories from American Asian and Russian Veterans* Li spent seven years gathering hundreds of personal accounts from survivors of the war accounts that span continents nationalities and political affiliations The twenty two intimate stories in the book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars Providing fresh perspectives on a long discussed topic *Voices from the Vietnam War* offers a thorough and unique understanding of America s longest war
