The Becoming Church:

Becoming a Blessed Church N. Graham Standish, 2016-05-08 Pastor and author N. Graham Standish describes how a church that is open to God's purpose, presence, and power can claim God's blessing. Standish shares the story of Calvin Presbyterian Church in Zelienople, Pennsylvania, and its journey to become a spiritually deep congregation, one that is inwardly and outwardly healthy, spiritually, psychologically, physically, and relationally. *Becoming a Blessed Church* will help you discern God's purpose and the path God is calling your congregation to walk. This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation. This second edition includes three new practical chapters that answer the questions the author is most frequently asked: how to effectively run a group, discernment practice, how to create an effective small group program, and how to set a church vision in a new direction that actually works.

Becoming a Multicultural Church Laurene Beth Bowers, 2010-04-01 In *ital* *Becoming a Multicultural Church*, Bowers reflects upon and shows how churches can benefit from the experience of First Congregational Church of Randolph, Massachusetts. *em dash* the church she pastors *em dash* once a historically traditional, one-social grouping church, but now a multicultural church and one of the numerically largest churches in Randolph. She offers practical strategies and explores the processes involved in a conversational style that will make it an easy read for pastors.

Being the Church Edward Rommen, 2017-07-18 If the divine liturgy really is as beautiful as we claim, wouldn't more people attend? Wouldn't the church grow? Driven by our desire for growth, we count, we analyze, we make charts, and we strategize, but often with few discernible results. That is probably the result of focusing on secondary aspects of church life. As we know, the very existence of a church is a gift of God's presence and not the result of any particular actions taken by human beings. For that reason, church is primarily about being something rather than doing or achieving something. So the growth of the church is not reflected in ever-increasing numbers, dollars, and activities, but rather in steadily growing conformity to the divine ideal. So in order to evaluate ecclesial growth, we will first have to ask what the church is supposed to be. One answer to that question is captured in the four marks of the church given in the creed: Oneness, Holiness, Catholicity, and Apostolicity. These four characteristics serve as a matrix or framework within which we can focus on the primary aspects of ecclesial being and help it grow and become what it was intended to be.

The Turning Point Irene Lape, 2005-04 In September 1862, General Robert E. Lee invades Maryland with the hope of obtaining diplomatic recognition of European nations for the Confederacy. The whirlwind of events that follows changes not only the destiny of the nation but the destinies of two young people on a pilgrimage of self-discovery. Fifteen-year-old Meg Hamilton, orphaned after the deaths of her mother and grandfather, is desperately unhappy living with an aunt and uncle who despise her. Meg's biological father, whom she has met only once, is a Virginian with Lee's invading army. Meg's miserable home life and complications involving the family of her oldest and dearest friend, Daniel, motivate her to search for her father, even though he may not acknowledge her existence. When Daniel

discovers her plan he is determined to help her despite a deep revulsion he feels towards the enemy Daniel and Meg learn that her father is with a regiment led by Stonewall Jackson and they begin a journey together to find his military unit Their travels lead them not only to the father she never knew but also to a relationship that becomes much more than a childhood friendship The Turning Point will transport you back to a place and time when momentous historical events reshaped the future of a nation and the lives of those who were caught up in them

Church Planters Richard N. Pitt, 2022 Millions are leaving churches half of all churches do not add any new members and thousands of churches shutter their doors each year These numbers suggest that American religion is not a growth industry Yet more than 1000 new churches are started in any given year In Church Planters sociologist Richard Pitt uses a series of in depth interviews with church planters to understand what moves people who might otherwise be satisfied working for churches to the riskier role of starting one
