## **The Beethoven Conspiracy:**

*The Beethoven Conspiracy* Thomas Hauser, 1984 Three musicians are found dead behind the Metropolitan Opera All three had mysterious plans for the week of November 4th Some strong language **Beethoven's Immortal Beloved** Stefan Romano, 2024-06-17 The day after Beethoven's death on March 26 1827 his friends found in a secret drawer of his desk together with his will and two miniature portraits of two young women a ten page letter dated July 6 in the morning that began with the intriguing incantation My angel my all myself It included no address and no name of the addressee except for the now famous my immortal beloved hyperbole containing passionate declarations of love and was signed L forever yours forever mine forever us Thus was born a biographical mystery of the artistic canon of the Western World second only in tantalizing appeal to the identity of the person signing as William Shakespeare Two hundred years later biographers still have not come to a consensus on the mystery Of the many candidates advanced in the meantime only a few have survived in biographical literature Stefan Roman's book brings the controversy to a close It clarifies the existing evidence that has often been muddled and at times reached the absurd during almost two centuries of scholarly speculations He also adds some new insights into the analysis of the evidence thus making it easier for readers to draw their own conclusions hopefully not different from his namely that only one of the candidates proposed so far fits the evidence He also provides a substantially modified scenario from the one advanced by her proponents Born in Romania during WWII and immigrated to the U S A in 1989 Stefan Roman is not a musician nor a musicologist He is an engineer by formation a man of exactitude and clear and logical thinking qualities that served him thoroughly when he became an amateur Beethoven scholar A long time member of American Beethoven Society and of its French counterpart Association Beethoven France et Francophonie he has published in their professional journals bringing valuable contributions to understanding Beethoven's life and creation His Ending the Fifth article answered a question that had puzzled musicians scholars and music lovers alike for two hundred years why does Beethoven's Fifth Symphony end with that apparently interminable series of C major chords He took up the pen by force of circumstance for his Beethoven's Immortal Beloved when he realized that all the proposed solutions to the mystery relied on wild speculation and sometimes even falsifying the existing evidence The Final Recollections of Charles Dickens Thomas Hauser, 2015-12-15 England 1870 His health failing his most important work all but done Charles Dickens is readying himself for the final bed But there is still one more story that he must tell As a young journalist just getting his start Dickens encountered a story that would affect him for the rest of his life As his Sketches by Boz column is just beginning to find acclaim young Dickens encounters the wealthy and powerful Charles Wingate While researching the mysterious businessman Dickens uncovers a horrific story of corruption and violence centered on a mutilated prostitute and the murder of her lover Dickens's investigation could wreak havoc on Wingate and more importantly his beautiful wife Amanda Dickens already betrothed to his publisher's daughter realizes just how loveless his future marriage will be as he falls in love with Amanda

even as his story threatens to ruin the Wingates The Final Recollections of Charles Dickens blends a historically accurate telling of Dickens's life with a gripping portrait of betrayal murder obsession and love It's the story of Dickens's deflowering and coming of age caught between the worlds of England's ruling elite and the seamy underside of London society In this experience we witness the seeds being sown for what will become Dickens's most popular and revered novels and the social philosophies rich versus poor behind them Meticulously researched and masterfully told The Final Recollections of Charles Dickens captures the voice of the beloved author the divided city of London and the uncertain tenor of the times *And the New . . .* Thomas Hauser, 2012-09 Thomas Hauser's recording of the contemporary boxing scene has become the sport's most eagerly anticipated written work Here's what readers are saying about And the New Masterful as always Awesome writing On a scale of one to ten Hauser rates one hundred The most accurate honest and insightful writing about boxing that I've ever read Thomas Hauser is in a league of his own It doesn't get any better than this Another five star article from Hauser Brilliant enlightening and wonderful This is what boxing writing should be Another great article from a truly great writer Booklist says that Thomas Hauser is the most respected boxing journalist working today and perhaps the best ever Robert Lipsyte calls him the best boxing writer of our time And the New is the latest compilation of Hauser's classic writing It brings readers into the dressing room with fighters like Manny Pacquiao and Sergio Martinez in the moments before the year's biggest fights Hauser's award winning investigative journalism exposes the inner workings of HBO Sports and the economic realities that drive boxing today There's a look back in time at the incomparable Henry Armstrong and much more

**Muhammad Ali: His Life and Times** Thomas Hauser, 2012-07-30 One of the most recognisable respected and inspirational men on earth Muhammad Ali is the world's most famous boxing hero Ali brought unprecedented speed and grace to the sport and his charm and wit changed forever what the world expects of a champion athlete In the words of over two hundred of Ali's family members associates opponents friends and enemies this comprehensive and honest portrait relates his legendary sporting accomplishments as well as the high drama of life outside the boxing ring From Olympic gold in Rome to stunning victory over George Foreman in Zaire every historic victory and defeat of Ali's career is covered His controversial embrace of the Nation of Islam with the renunciation of his slave name Cassius Clay and the historic refusal to be inducted into the US Army makes for compelling reading Ali became America's first national conscientious objector and with a willingness to stage his fights in Third World locales he continued his advocacy for people in need which was honoured in 2000 when he became a United Nations Messenger of Peace Charismatic dedicated and a skilful self publicist Ali is the living embodiment of the American Dream This is the biography to match his achievements [A Year at the Fights](#) Thomas Hauser, 2003-01-01 Acclaimed boxing writer Thomas Hauser admires the sweet science but he also recognizes and confronts its problems His essays here portray the sport in all its glory and gore its grace and disgrace Hauser tracks the effects of big money on the sport exposes corruption at the highest levels and examines the emotional links between the September 11

attack on America and the way we experience the violence of boxing He follows the biggest fighters and the most important fights through 2001 into the early months of 2002 He also depicts the broadcasters government regulators and others the people behind the scenes who shape boxing without ever taking a punch We meet fighters such as Lennox Lewis Mike Tyson and Bernard Hopkins and non combatants like ringside physician Margaret Goodman trainer Eddie Futch and the powers that be at HBO

The Baker's Tale Thomas Hauser,2015-12-01 An evocative historical novel that explores the rising influence of Dickens s work in mid 19th century London through the journey of a young woman s struggle against poverty and injustice In the winter of 1836 a young journalist named Charles Dickens held an infant in his arms Only eight months of age Ruby Spriggs was living under the most deplorable conditions that existed in London Crushing poverty seemed her only future Through the intervention of kind patrons the child blossoms into a young woman instilled with a love of learning and books But the forces that Dickens fought against for most of his life threaten to destroy her At the heart of *The Baker s Tale* is Ruby Spriggs Edwin Chatfield the young man who would be her lover Alexander Murd the scheming coal baron who would destroy them Abraham Hart a dwarf who befriends Ruby in a faraway land and Octavius Joy a 19th century philanthropist cut from unique cloth Meticulously researched and masterfully told *The Baker s Tale* recreates the voice of beloved author Charles Dickens in gorgeous prose brimming with the atmosphere of historical London It s a gripping tale of obsession corruption hope and love instilled with the unequaled passion of Dickens s social conscience *Straight Writes and Jabs* Thomas Hauser,2013-09-01 Another in Hauser s annual collections of articles on boxing bringing readers into the dressing room with elite champions in the moments before some of 2012 s biggest fights exploring the use of performance enhancing drugs and looking back in time at the incomparable Archie Moore
