**The Bhagavad Gita** ,1991 Like old coins which do not circulate in new times even the ancient words of the Bhagavad Gita need the imprint of modern times to reveal the ways their wisdom can help us in our everyday lives of today and tomorrow In this wide ranging work Mr Majumbar relates the impressions of famous visionaries of our time to the practical wisdom and ageless mystery of this most widely revered spiritual text of India He positions the thoughts of scientists philosophers poets rulers historians saints and even a few sinners against the timeless teachings of the Gita The ways of the wise ancient and modern become accessible to us making this new translation and commentary a practical spiritual guide for our adventure from today into the 21st century A Scripture for the Future BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Panchadasigita* Yatindra Mohan Chatterjee,1998 Study with re arranged Sanskrit text and English translation according to subject of the Bhagavadgita *Near Death Experiences and Sacred Scripture* Douglas Charles Hodgson,2024-08-30 Near Death Experiences and Sacred Scripture The Parallel Messaging examines striking similarities and parallels between messaging found in accounts of those who have written about their near death experiences and in accounts contained in the sacred scriptures of the world s great religions This symmetrical and mutually reinforcing messaging is timeless in nature and is arguably more relevant today than in any previous period in human history as humanity continues to face existential threats to its survival In an era of rampant materialism and consumerism armed conflict environmental degradation species extinction global warming as well as an obsessive preoccupation with self rather than others and a devaluation of the life s sanctity It s timely to spark a revived interest in and knowledge of God and the afterlife and in seeking answers to life s larger religious spiritual philosophical and metaphysical questions This book will provide assurance and solace to those who are terminally ill or fear the death of their physical body for those who are suffering a difficult bereavement and for those who feel lost and confused about the meaning and purpose of life and what lies ahead of them Twelve Steps from the East Ralph L. **Holy Yesterday Mythical Tomorrow** Ricky Firman, 2025-02-01 From fiery sacrifices to viral memes the divine narrative of humanity has been anything but dull Holy Yesterday Mythical Tomorrow How Religions Become Myth is a bold darkly comedic exploration of the lifecycle of faith and a thought provoking follow up to Ricky Firman's acclaimed book Holy Olympics Religions War for Relevance and Dominance While Holy Olympics tackled the competitive struggle of religions to assert their dominance in a modern world this sequel shifts focus to the inevitable transformation of those same faiths into mythology In this latest work Ricky examines how gods are born from humanity's fears ignorance and creativity only to be retired to the realms of myth when time progress and logic outpace their relevance This book dissects the rise and fall of deities across civilizations from the grandeur of Zeus's thunderbolts to the eerie rituals of Mesoamerican gods and speculates how the gods worshipped today might fare in the distant future With biting wit and incisive commentary Ricky connects the sacred to the satirical revealing the absurdity of divine politics the commodification of faith and the endless human quest for meaning As humanity marches forward with science and technology as its new priests Holy Yesterday Mythical Tomorrow ponders the cosmic irony of how ancient beliefs persist in the age of information The book culminates in a speculative hilarious vision of what the gods of tomorrow might look like in a world ruled by AI aliens and billionaire messiahs Whether you're a skeptic a believer or something in between this book will provoke entertain and challenge your view of religion and its inevitable transformation into myth Because in the end the sacred and the absurd have always been partners in humanity's eternal cosmic joke
