A black Bible with the word "Bible" in gold script is the central focus. It is resting on an open Bible, which shows pages with text in a German script. The background is a soft, out-of-focus white surface, possibly a bedsheet or a tablecloth. The lighting is warm and soft, highlighting the texture of the books and the fabric.

**The Bible Says...** Dae Young Choe,2000-03-29 Most of us begins to read the bible trying to understand our creator God and find out the way to escape from this troublesome world while struggling to cope with this fast running modern society and survive But reading through the bible alone would take a year and yet finding out what it says is still another story So many of us close the bible before flipping over several pages and come back to wandering again for the same reason of enormous amount of scriptures and the difficulty to understand Simply we are trapped in this busy world of devil and the devil does not allow us to think about where we come from where we go to and why we live in this world That was stated in the bible as dead saying And another of his disciples said unto him Lord suffer me first to go and bury my father But Jesus said unto him Follow me and let the dead bury their dead Matthew8 22 As the result we just go to church for self relief and follow the instructions of the church for no reason and say we obey to God Yet still we do not know what God says Leaving every teaching of religious people and traditional religious idea behind I tried to hear from God directly through the bible based upon solid rock foundation of common sense that the truth never changes I did not hesitate to go to the extreme to stand on that foundation and I believe that extreme faith gave me understanding divine only God who is in extreme high place As the bible says No one can come to Me unless the Father who sent Me draws him and I will raise him up on the last day John 6 44 this book is not intended to draw people into belief but to guide God s people that are lost In other words it is only for Sons of God It doesn t necessarily mean that my way is the best way So anybody who knows the way should follow own way

**The Bible Says So** Dan McClellan,2025-04-29 Bible scholar and popular TikToker Dan McClellan confronts misconceptions about the Bible The Bible is the world s most influential book but do we really know what it says Every day across social media and in homes businesses and public spaces people try to cut debate short by claiming that the Bible says so However they commonly disagree about what it actually does and doesn t say particularly when it comes to socially significant issues For instance does the Bible say we should be on the lookout for an antichrist associated with the number 666 Does it say women shouldn t wear revealing clothing Does it say it s okay to hit your kids In The Bible Say So Dan McClellan leverages his popular data over dogma approach and his years of experience in the academy and on social media to lay out in clear and accessible ways what the data indicate the Bible does and doesn t say about issues ranging from homosexuality abortion and slavery to monotheism inspiration and even God s wife Smart accessible and informative The Bible Says So is an invaluable resource for our fractious times

**The Bible Says So!** Edwin D. Freed,Jane F.

Roberts,2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action The Bible Says So examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of

these stories becomes apparent when we read between the lines using the techniques of biblical scholars

**The Bible Says So** explores the original intentions of the biblical writers in their particular context and examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today **Gallitzin's Letters** Demetrius Augustine Gallitzin,1940 **What the Bible Tells Us about the Location of Heaven and the First, Second and Third Coming of Christ** Jacob V. Kalajainen,2013-02-26 How can people taking diametrically opposing positions on contemporary issues dividing both religious communities and society quote the Bible in support of their views What does it mean to make a claim that the Bible says or teaches something Why appeal to the Bible at all Whose interpretation is the right one If you ve felt confused about the Bible s role or authority in such controversies this book may help The author draws upon his more than forty years of pastoral ministry and seminary teaching experience as he examines the Bible what it is and isn t how it came to be a sacred text for Jews and Christians what kind of authority it has and how that authority is used or misused He does not attempt to take a position on the controversial issues themselves but argues for understanding the Bible as a community product arising out of the historical life of communities of faith that then exerts a shaping or normative power in those communities through time and asks how the Bible and the Word of God may be related in constructive ways **The True Life** ,1890 **Nature and the Bible** Franz Heinrich Reusch,1886 *The Theological Works of Thomas Paine* Thomas Paine,1882
