

# The Jews Of The Kingdom Of Valenciafrom Persecution To Expulsion13911492

**Theresa Earenfight**

## **The Jews Of The Kingdom Of Valencia from Persecution To Expulsion 1391-1492:**

The Jews of the Kingdom of Valencia José Hinojosa Montalvo, 1993 The ninth volume of the Hispanic Judaica series brings to life a comprehensive study of the Jews of the Kingdom of Valencia. It is a detailed and fully annotated description of the last stage in Jewish life in this kingdom from the riots of 1391 to the Expulsion of 1492

### **A Jewish Renaissance in Fifteenth-Century Spain** Mark D. Meyerson, 2021-02-09

This book significantly revises the conventional view that the Jewish experience in medieval Spain over the century before the expulsion of 1492 was one of despair, persecution and decline. Focusing on the town of Morvedre in the kingdom of Valencia, Mark Meyerson shows how and why Morvedre's Jewish community revived and flourished in the wake of the horrible violence of 1391. Drawing on a wide array of archival documentation including Spanish Inquisition records, he argues that Morvedre saw a Jewish renaissance. Meyerson shows how the favorable policies of kings and of town government yielded the Jewish community's demographic expansion and prosperity. Of crucial importance were new measures that ceased the oppressive taxation of the Jews and minimized their role as moneylenders. The results included a reversal of the credit relationship between Jews and Christians, a marked amelioration of Christian attitudes toward Jews and greater economic diversification on the part of Jews. Representing a major contribution to debates over the Inquisition's origins and the expulsion of the Jews, the book also offers the first extended analysis of Jewish converso relations at the local level, showing that Morvedre's Jews expressed their piety by assisting Valencia's conversos. Comparing Valencia with other regions of Spain and with the city states of Renaissance Italy, it makes clear why this kingdom and the town of Morvedre were so ripe for a Jewish revival in the fifteenth century.

### *The Conversos and Moriscos in Late Medieval Spain and Beyond* Kevin Ingram, 2009

Converso and Morisco are the terms applied to those Jews and Muslims who converted to Christianity mostly under duress in late medieval Spain. Converso and Morisco Studies examines the manifold cultural implications of these mass conversions.

### The Sephardic Jews of Spain and Portugal

Dolores Sloan, 2015-03-26 Prior to 1492, Jews had flourished on the Iberian Peninsula for hundreds of years. Marked by alternating cooperative coexistence and selective persecution alongside Christians and Muslims, this remarkable period was a golden age for Iberian Jews, with significant and culturally diverse advances in sciences, arts, and government. This work traces the history of the Sephardic Jews from their golden age to their post-Columbian diaspora. It highlights achievements in science, medicine, philosophy, arts, economy, and government, alongside a few less noble accomplishments in both the land they left behind and in the lands they settled later. Several significant Sephardic Jews are profiled in detail, and later chapters explore the increasing restrictions on Jews prior to expulsion, the divergent fates of two diaspora communities in Brazil and the Ottoman Empire, and the enduring legacy of Sephardic history.

### *A Stake in the Ground: Jews and Property Investment in the Medieval Crown of Aragon* Michael Schraer, 2019-02-26

In *A Stake in the Ground*, Michael Schraer explores the economic functions of real estate amongst the Jews of the medieval crown of Aragon. He challenges the view of medieval Jews

as primarily money lenders and merchants finding compelling evidence for extensive property trading and investment Jews are found as landlords to Christian tenants transferring land in dowries wills and gifts Property holdings were often extremely valuable For some property was a major part of their asset portfolios Whilst many property transactions were linked to the credit boom land also acted as a liquid and tradeable investment asset in its own right This is a key contribution to the economic history of medieval Iberia and of medieval Jews See inside the book [Queenship and Political Power in Medieval and Early Modern Spain](#) Theresa Earenfight,2017-03-02 Unlike empresses in Germany and queens in England and France the lives and political careers of most Iberian queens remain largely unknown to non specialists In this collection Theresa Earenfight brings together new research on medieval and early modern Spanish queens that highlights the distinctive political culture that resulted in forms of queenship similar to yet also substantially different from that of northern Europe The essays consider three aspects of queenship and politics the institutional foundations and practice of politics the politics of religion and religious devotion and the literary and artistic representations of queenship and power Late medieval queens because they often occupied prominent and powerful offices such as the regency in Castile and Portugal and the Lieutenancy in the Crown of Aragon exemplify a unique form of queenship that can best be described as a political partnership Habsburg queens and empresses often excluded from such official political roles were less publicly visible but their power as partner to the king although shrouded remains potent Their political careers were the result of two forces first military circumstances brought about by territorial expansion conquest and second a political culture that did not explicitly prohibit queens from active participation in the governance of the realm The essays in this collection by both newer and well established scholars demonstrate the range and depth of current research on Iberian queenship and prompt a re examination of long held assumptions about women and the exercise of power in pre modern Spain [A Great Effusion of Blood?](#) Mark D. Meyerson,Daniel Thiery,Oren Falk,2004-01-01 Exploring the issue from both historical and literary perspectives the contributors examine violence in a broad variety of genres places and times such as the Late Antique lives of the martyrs Islamic historiography Anglo Saxon poetry and Norse sagas and more [\*\*One True God\*\*](#) Rodney Stark,2003-04-13 Western history would be unrecognizable had it not been for people who believed in One True God There would have been wars but no religious wars There would have been moral codes but no Commandments Had the Jews been polytheists they would today be only another barely remembered people less important but just as extinct as the Babylonians Had Christians presented Jesus to the Greco Roman world as another God their faith would long since have gone the way of Mithraism And surely Islam would never have made it out of the desert had Muhammad not removed Allah from the context of Arab paganism and proclaimed him as the only God The three great monotheisms changed everything With his customary clarity and vigor Rodney Stark explains how and why monotheism has such immense power both to unite and to divide Why and how did Jews Christians and Muslims missionize and when and why did their efforts falter Why did both Christianity and Islam

suddenly become less tolerant of Jews late in the eleventh century prompting outbursts of mass murder Why were the Jewish massacres by Christians concentrated in the cities along the Rhine River and why did the pogroms by Muslims take place mainly in Granada How could the Jews persist so long as a minority faith able to withstand intense pressures to convert Why did they sometimes assimilate In the final chapter Stark also examines the American experience to show that it is possible for committed monotheists to sustain norms of civility toward one another A sweeping social history of religion One True God shows how the great monotheisms shaped the past and created the modern world

### **Jews in the Early Modern World**

Dean Phillip Bell,2008 Jews in the Early Modern World presents a comparative and global history of the Jews for the early modern period 1400 1700 It traces the remarkable demographic changes experienced by Jews around the globe and assesses the impact of those changes on Jewish communal and social

Hispania Judaica XI José Luis Lacave,Shalom Sabar,2002

Gathered here are thirty ketubot from various medieval Hispanic kingdoms twelve from Catalonia four from Majorca eight Navarrese and three from Castile The book presents illustrations of the ketubot some handsomely decorated in full colour

and gives a description of the ornamental motifs included Some of the ketubot appear here for the first time
