**Land Use and Sustainable Development Law** John

R. Nolon, Patricia E. Salkin, 2012 Nolon and Salkin's Land Use and Sustainable Development Law Cases and Materials explores how land use law is employed to build and preserve sustainable communities. The broad range of traditional and innovative subjects range from zoning and site planning to sustainable development as well as Land use mediation Local environmental law Housing and community development Referenda and initiatives Smart growth Energy Eminent domain Regulatory takings Religious land uses Aesthetics Adult uses Exclusionary zoning Historic preservation Telecommunications Ethics [Planning](#), 1979 **Land Use Planning and the Environment**, In Land Use Planning and the Environment the authors have dramatically revised and updated a classic seminal casebook Land Use Planning. Designed primarily for the classroom the book takes a comprehensive approach to the teaching of planning and zoning law regulatory takings and environmental topics. Throughout the casebook the authors identify and explore intersections between land use planning law and environmental regulation. They also identify the hidden environmental agenda behind exclusionary zoning the impact of urban sprawl on clean air and critical habitats and other interconnections. Professors students and law and planning practitioners with strong backgrounds and exposure to traditional environmental law will find these intersections a wonderful opportunity to examine familiar topics from a fresh perspective. For other users Land Use Planning and the Environment will serve as a valuable introduction to the environmental realm a realm that more than perhaps any other in American law is subject to swift and dramatic changes that require the most current teaching materials.
