The Economics Of Social Care Studies In Social Policy

Michael Lewis, Karl Widerquist

The Economics Of Social Care Studies In Social Policy:

Social Science and Social Policy Martin I A Bulmer,2021-12-29 First published in 1986 Social Science and Social Policy addresses major questions concerned with the social utility of social science The book is divided into four parts The first part considers the place of social science in the policy making process and criticizes the rational model which gives a central place to analysis In part two five different methodologies for policy research are considered the use of continuous surveys public opinion polls social indicators evaluation research and social experimentations and the use of qualitative methods The advantages and drawbacks of each are considered with extensive use of examples In the third part the role of theory is examined Particular attention is paid to the issue of health inequality In part four general questions are raised about the use and abuse of social science including questions about how it can be most effectively disseminated to make maximum impact The book is aimed at a general readership and requires no special methodological expertise It will appeal particularly to undergraduates and graduate students taking courses in social policy public policy applied sociology and a range of applied social sciences such as criminology health studies education and social work

The Political Economy of the Welfare State Thomas Wilson,Dorothy J. Wilson,2021-11-21 In the early 1980s the welfare state for too long regarded as a notable contribution to the establishment of a humane social order had over the previous decade come under increasing attack Some of its critics especially in the UK and the USA maintained that it had failed to deal satisfactorily with the problem of poverty Others held that it was over elaborate created a psychology of dependence and imposed costs that needed to be reduced as part of a policy of general economic recovery In a number of countries cuts had already been imposed or were now contemplated In this situation it was crucially important to direct attention once more to the basic objectives of the various welfare services from a systematic and comparative standpoint Originally published in 1982 the authors of this book one an economist and the other a specialist in social administration subjected these aims to rigorous analysis and discuss the underlying issues of social philosophy They then attempt to assess the various methods adopted for their attainment in Britain and comment on those adopted in the USA and in some continental European countries Although the authors reject the more extreme assertion that the welfare state has been a failure they point to the need to relate some of the policies followed more clearly to the basic objectives A number of proposals for reform are put forward which would imply some change of emphasis and should permit a simplification of existing over complex arrangements

British Qualifications 2016 Philip Kogan,2015-12-03 Now in its 46th edition British Qualifications is the definitive one volume guide to every qualification on offer in the United Kingdom With an equal focus on vocational studies this essential guide has full details of all institutions and organizations involved in the provision of further and higher education and is an essential reference source for careers advisors students and employers It also includes a comprehensive and up to date description of the structure of further and higher education in the UK The book includes information on awards provided by over 350

professional institutions and accrediting bodies details of academic universities and colleges and a full description of the current framework of academic and vocational education It is compiled and checked annually to ensure accuracy of information British Qualifications 2017 Kogan Page Editorial,2016-12-03 Now in its 47th edition British Qualifications 2017 is the definitive one volume guide to every qualification on offer in the United Kingdom With an equal focus on vocational studies this essential guide has full details of all institutions and organizations involved in the provision of further and higher education and is an essential reference source for careers advisors students and employers It also includes a comprehensive and up to date description of the structure of further and higher education in the UK The book includes information on awards provided by over 350 professional institutions and accrediting bodies details of academic universities and colleges and a full description of the current framework of academic and vocational education It is compiled and checked annually to ensure accuracy of information **The Economics of Social Care** Martin Knapp,Martin R. J. Knapp,1984

Which University? ,1970 **A Subject Index to Current Literature** Australian Public Affairs Information Service, **APAIS 1994: Australian public affairs information service , The New Politics of Welfare** Michael McCarthy,1989-11-20 This collection of papers comprises an analysis of the politics of welfare covering the personal social services health housing social security employment education criminal justice community care and private and voluntary welfare **Economics for Social Workers** Michael Lewis,Karl Widerquist,2002-03-27 This primer for social work students introduces the general definitions and concepts of economics and uses case studies in social work to develop applied knowledge The case studies include stories of job training substance abuse centers counseling therapy child protective services and services for the poor The concluding chapters are devoted to topics directly related to social work economics of poverty health economics household economics the economics of labor and government failure **Social Care in a Mixed Economy** Gerald Wistow,1994 This book describes the mixed economy of community care in England and analyses the efforts and activities of local authorities to promote and develop it It is based on national documentary and statistical evidence and on more detailed research with twenty four local authorities and includes a case study on the transfer of residential homes to the independent sector **Bureau Men, Settlement Women** Camilla Stivers,2000 Although the two intertwined at first the contributions of these settlement women to the development of the administrative state have been largely lost as the new field of public administration evolved from the research bureaus and diverged from social work Camilla Stivers now shows how public administration came to be dominated not just by science and business but also by masculinity calling into question much that is taken for granted about the profession and creating an alternative vision of public service The Economics of Social Care.Studies in Social Policy M. Knapp,1984 The book falls into two parts In the first part a conceptual basis is developed for examination of efficiency and equity The second part builds on the basic theoretical structure to examine some of the more pressing of current issues in social care and in the public sector generally

Topics included are The role of the market in allocating services Consumer charges The supply of volunteers The choice of care services for the elderly Reasons for cost variations between local authorities and between care units The privatisation of social care and the comparative costs of public voluntary and private providers The Municipal Year Book and Public Services Directory ,1984 **Which Degree Guide** ,2003 **Which Degree Directory Series** ,2000 *Monographic Series* Library of Congress,1982 **Palgrave's Dictionary of Political Economy: F-M (1923 New ed.)** Robert Harry Inglis Palgrave, Henry Higgs, 1925 *Parent Education and Public Policy* Ron Haskins, Diane Adams, National Institute of Education (U.S.), 1983 This volume examines parent programs in the context of policy to support families the disjunction between advocates of parent programs and federal policymakers federal legislation for parent programs and programs for parents of preschool children school age children and children with special needs **Monthly Bulletin - League of Red Cross Societies** ,1935
